

An aerial photograph of a body of water, likely a lake or a wide river, with a sandy beach visible in the lower half. The water is a deep blue, and the sand is a light tan color. A small boat is visible on the water near the shore. The overall scene is serene and natural.

War Horseman Of The Apocalypse By Jeff Fuell:

WAR Horseman of the Apocalypse (Love Blooms Eternal) Jeff Fuell, 2014-03-06 WAR has been feeling restless of late a strange beckoning that he cannot explain seemingly calling out to him Feeling the need to find the answer to this sensation he decides to journey to Earth in mortal form all the while being exposed to one strange and humorous adventure after another as he tries to adjust to life as a human being While there he experiences an overwhelming attraction to one woman He soon finds out that she was his soul mate in a previous life before he was chosen by God to take on the mantle of WAR one of the Horsemen of the Apocalypse and one of the most feared and respected entities in the cosmos Now he must make a decision will he continue to serve out the rest of his existence as the immortal Horseman or will he choose to sacrifice everything in order to be with his true love once again *Titan* Jeff Fuell, 2013-11-08 Gaius Richards is a teenage boy born of two worlds who just wants to go to high school and live a normal life as he connects with his mortal roots As the hero Titan an immortal from Mt Olympus and the son of Gaia he is also the strongest person to ever walk the face of the Earth Christine is a smart overly serious girl who accidentally stumbles onto his secret and through the wisdom of the gods finds that maybe it was not an accident that they were meant to find each other As they fall in love the two of them will together face the greatest adventure of their lives as Gaius Earth's sworn protector will face the greatest battle of his life as he attempts to stop a human killing machine long thought dead from wrecking havoc on his adopted home Can an Olympian die or will he be able to find the strength to not only save himself but everyone he holds dear From the author I love super heroes Comic books have been a large part of my life for three decades and I have fond memories of losing myself in those colorful pages for hours on end When I set out to write this book I wanted to capture the essence of those wonderful books that I read when I was a kid and put it into novel form Hopefully I have succeeded The Perfect Woman Jeff Fuell, 2014-03-25 In the future true love is something that can be created to a person's specifications Meet Denise Merritt the perfect woman She is beautiful caring emotional sensitive smart friendly and has the best personality a person could possibly have She is also not real Denise is an android model who was made for Steven Adams who wants to spend the rest of his life with someone special Once he finally meets her he had hoped to live out the rest of his life with the only person in the world he truly loves but he gets swept into an unwelcome adventure when he finds out that certain other models in the world have gone rogue and he must work with the creator's daughter the only other person in the world who knows what is happening to stop a global takeover and the extermination of the human race What happens is a race against time and at the end Steven must make a choice Does he choose to put a halt to the subtle takeover that the models are implementing at the risk of also destroying the only woman he has ever loved or is there another answer From the author Most people male and female have often wondered what it would be like to create their perfect mate for various reasons This has been a fantasy for as long as there have been men and women walking the earth I really wanted to answer that question and see what it might be like while striving to

make the fantasy as believable as possible **Earth Angel** Jeff Fuell,2014-03-16 When a troubled man meets both the devil and God in the same week it is just the beginning of a transformation and an adventure for he and his teenage daughter Brian Bradford a writer and widower wonders what is happening when his teen age daughter seems to be undergoing a strange transformation a transformation that seems to be turning her into one of God s winged servants In the process Brian finds out who he really is why this is happening to her and what he is supposed to do with the rest of his life In the end Brian learns that if you truly love someone you have to let them go It is only then that life can truly begin anew From the author What would it really be like to meet the devil and find out that he s not really that bad of a guy And on top of that find out that he is a big movie buff Also what would his take on the bible be What would it be like to actually meet God What if I had a daughter and she was slowly but surely turning into an angel These are all questions I asked myself when I began writing this book This book also deals with a good amount of theology and asks questions that all people have asked at one time or another **New Avalon** Jeff Fuell,2016-08-04 The Once and Future King returns in this modern day young adult action and adventure story If you are familiar with the legends and have seen the excellent movie Excalibur then this is the sequel to those events Sixteen year old Brian Braddock is having visions of a time long lost a time and place that he feels somehow strangely connected to As he strives to figure out what is happening to him he meets a man who reveals himself to be the legendary sorcerer Merlin he who was the mentor and advisor to one of the greatest leaders the world has ever known Merlin informs Brian that he is the vessel of the renowned King Arthur and that it is time for the Once and Future King to live once again As the sword in the stone appears in front of the United Nations Building signaling a new era an adventure begins where Brian Merlin and the regrouped Knights of the Round Table set forth to bring about the peaceful and harmonious world that Arthur had always envisioned However an evil long thought lost has returned from Arthur s past to attempt to thwart his plans Arthur and his knights now live once again to fight once more not just for the peace of a nation but for the peace of a world *The Goatman* Jeff Fuell,2013-02-24 In the summer of 1983 a young teen named Danny Brent and his two best friends share good times and special moments while enjoying that unique magic of childhood an all too brief time when anything seemed possible They also share a chilling adventure that bonds them together well into adulthood Now for the first time in almost thirty years Danny is sharing his secret about what really happened the story about his brief encounter with the Goatman a legendary creature that exists on the outskirts of town in a haunted area called Goatman s how he saved his life and what happens afterwards From the author The Goatman is very much inspired by Stephen King s The Body which was then made into the brilliant film Stand By Me I wanted to capture the essence of what it was like to be a young boy and growing up spending time with your best friends a magical time when every day was an adventure and anything seemed possible *The Four Horsemen and the Apocalypse* William Nichols,2012-07-23 Jackson Mathias More had a dream a grand vivid dream Codenamed the Apocalypse Mathias along with four of his friends dubbed the Four Horseman gathered an army

went to war with a government he despised and brought about the Restoration in his country These five spent years contriving the ingenuity the strategy the will the guts to go through with the plan and when all the pieces were in place they began their incredible journey Defying odds facing sorrow filled trials and tribulations warring with a mighty enemy and basking in the glory of victories Mathias finds a strength of body and soul that can only be provided by God Through his prayers and sufferings Mathias brings the restoration of his faith to the people of his nation separating the righteous from the wicked as he initiates a war to purge the enemy from the country The war Jackson Mathias More foresaw in a dream came he waged it

War Angie Porter, 2022-02 After my vacation met the apocalypse and stranded me far from home I learned not all outposts were kind to women traveling alone In fact since women were abducted daily in this dangerous post apocalyptic world I found a way to blend in like a wallflower only more hideous by looking like a hag People couldn't look away from me fast enough once I mastered the art of appearing hideous It was the next best thing to invisibility But the second horseman War arrived to fulfill his purpose of stealing peace and making people kill each other Immediately the Viking barbarian angel managed to soul chain a two year old boy Then War proclaimed that since no men would lust after a hideous hag I was the perfect choice to be the orphaned toddler's babysitter at his war camps No one told me the horsemen were shifters that when War shifted into his berserker form his magical mayhem spell was contagious He created a mayhem plague that steals peace and makes people kill each other Yet War can shift into another form can look like a smoking hot bad boy when he uses the power of peace to calm the toddler I had a weakness for bad boys yet War warned me that there would be hell to pay if I were not hideous Ugh We were complete opposites in every way including our names War and Serenity but someone had to stop him
