**Flavor and Soul** John Gennari, 2017-03-18 In the United States African American and Italian cultures have been intertwined for more than a hundred years From as early as nineteenth century African American opera star Thomas Bowers The Colored Mario all the way to hip hop entrepreneur Puff Daddy dubbing himself the Black Sinatra the affinity between black and Italian cultures runs deep and wide Once you start looking you'll find these connections everywhere Sinatra croons bel canto over the limousine swing of the Count Basie band Snoop Dogg deftly tosses off the line I'm Lucky Luciano bout to sing soprano Like the Brooklyn pizzeria and candy store in Spike Lee's Do the Right Thing and Jungle Fever or the basketball sidelines where Italian American coaches Rick Pitino and John Calipari mix it up with their African American players black Italian connections are a thing to behold and to investigate In Flavor and Soul John Gennari spotlights this affinity calling it the edge now smooth sometimes serrated between Italian American and African American culture He argues that the edge is a space of mutual emulation and suspicion a joyous cultural meeting sometimes darkened by violent collision Through studies of music and sound film and media sports and foodways Gennari shows how an Afro Italian sensibility has nourished and vitalized American culture writ large even as Italian Americans and African

Americans have fought each other for urban space recognition of overlapping histories of suffering and exclusion and political and personal *rispetto*. Thus Flavor and Soul is a cultural contact zone, a piazza where people express deep feelings of joy and pleasure, wariness and distrust, amity and enmity. And it is only at such cultural edges Gennari argues that America can come to truly understand its racial and ethnic dynamics.

**New York Sports** Stephen Norwood, 2018-06-01 New York has long been both America's leading cultural center and its sports capital, with far more championship teams, intracity World Series, and major prizefights than any other city. Pro football's Greatest Game Ever Played took place in New York, along with what was arguably history's most significant boxing match, the 1938 title bout between Joe Louis and Max Schmeling. As the nation's most crowded city, basketball proved to be an ideal sport, and for many years it was the site of the country's most prestigious college basketball tournament. New York boasts storied stadiums, arenas, and gymnasiums and is the home of one of the world's two leading marathons, as well as the Belmont Stakes, the third event in horse racing's Triple Crown. New York sportswriters also wield national influence and have done much to connect sports to larger social and cultural issues, and the vitality and distinctiveness of New York's street games, its ethnic institutions, and its sports-centered restaurants and drinking establishments all contribute to the city's uniqueness. *New York Sports* collects the work of fourteen leading sport historians, providing new insight into the social and cultural history of America's major metropolis and of the United States. These writers address the topics of changing conceptions of manhood and violence, leisure and social class, urban night life, and entertainment, women and athletics.
