Daniel O'Connor, 2019-03-04 2 000 years ago the Son of God prayed to His Father Thy Will be done on Earth as it is in Heaven This prayer the greatest ever uttered by the lips of man will not go unanswered Jesus has revealed to an Italian mystic named Luisa that the time has now at last arrived for its fulfillment that is for the restoration of what was destroyed by Adam 6 000 years ago in the Fall of Man In brief the entire world is about to be radically transformed like never before in its history This is probably something you should know about This book has been written to inform you about the transformation and to enable you to take part in it and hasten it But this transformation will not be achieved through human effort It will be given directly from Heaven by way of God s greatest Gift the Gift of Living in the Divine Will which is the Crown of Sanctity and which even now we must all strive to receive In this sanctity is found The Culmination of Deification the Fruitfulness of Mystical Marriage the Aspiration of the Unification of Wills and the Essence of Marian Consecration This is none other than the Triumph of the Immaculate Heart of Mary promised at Fatima It is the coming of the Kingdom of God This is a long book but its length should turn away no one as a thorough and detailed table of contents is given so that each reader can easily select only those sections in which he is interested for his perusal And any reader is sure to find much that interests him Within these pages is a treasury of resources not only concerning Luisa s revelations directly but also on new arguments for God s existence and the truth of Christianity extensive Catechesis on Private Revelation in general and on the spiritual life in general including overviews of the greatest teachings on spirituality in the history of the Church and details on the Era of Peace as revealed to Luisa and many other mystics visionaries and seers Fatima Medjugorje Venerable Conchita Fr Gobbi and dozens more You will not regret reading this book This is our great hope and our petition Your Kingdom come a kingdom of peace justice and serenity that will re establish the original harmony of creation Pope St John Paul II *Falling into Grace: the Fiction of Andrew Greeley* R. W. Carstens, 2008-10-07 Falling into Grace is a study of Andrew Greeley s fiction and the message behind his words revealing many timeless political and theological ideas Professor R W Carstens shares the findings of his deep exploration into Greeley s novels as evidence of a set of ancient values and key political ideas that are needed today more than ever As a great storyteller Greeley s message is significant that grace sustains us unites us comforts us and sometimes overwhelms us but it is also evidence of our freedom Carstens careful examination into the deeper meaning behind the stories demonstrates that Greeley s characters and the world in which they live portray life as acts of faith hope and love and prove that God is alive and well in the hearts of many in the world As Carstens discusses Greeley s imagination and his political and theological concepts he develops his own theories about how these ideas can be applied in today s world by creating freedom limiting authority and building communities where people are united by common goals In the end Carstens study demonstrates that Greeley s fiction shows us a way to go home to the images that appeal to the best in us and therefore tell us what might be Charity and Sylvia Rachel Hope Cleves, 2014 Conventional wisdom holds that same sex marriage is a purely modern innovation a concept born of an overtly modern

lifestyle that was unheard of in nineteenth century America But as Rachel Hope Cleves demonstrates in this eye opening book same sex marriage is hardly new Born in 1777 Charity Bryant was raised in Massachusetts A brilliant and strong willed woman with a clear attraction for her own sex Charity found herself banished from her family home at age twenty She spent the next decade of her life traveling throughout Massachusetts working as a teacher making intimate female friends and becoming the subject of gossip wherever she lived At age twenty nine still defiantly single Charity visited friends in Weybridge Vermont There she met a pious and studious young woman named Sylvia Drake The two soon became so inseparable that Charity decided to rent rooms in Weybridge In 1809 they moved into their own home together and over the years came to be recognized essentially as a married couple Revered by their community Charity and Sylvia operated a tailor shop employing many local women served as guiding lights within their church and participated in raising their many nieces and nephews Charity and Sylvia is the intimate history of their extraordinary forty four year union Drawing on an array of original documents including diaries letters and poetry Cleves traces their lives in sharp detail Providing an illuminating glimpse into a relationship that turns conventional notions of same sex marriage on their head and reveals early America to be a place both more diverse and more accommodating than modern society might imagine Charity and Sylvia is a significant contribution to our limited knowledge of LGBT history in early America *Catalog of Copyright Entries* Library of Congress.
