At Last A Novel Of Life Love Temptation And The Cubs:

At Last! a Novel of Life, Love, Temptation and the Cubs Terry Mort, 2011-02 The best baseball novel of the season ANY season No fans are more perpetually disappointed than those of the Chicago Cubs a team that has not won a World Series since 1908 And chief among the forlorn is Jack Frost From his assigned seat in the cafeteria at the Bide Awhile Rest Home Jack reads the sports pages every day and checks out the standings In the middle of June the Cubs are already thirteen and a half games out Last place again or rather still Into this sea of depression drops one Clarence Beazely a new resident at the home and a baseball fan But Beazely is not your everyday fan nor is he your everyday rest home resident He has extraordinary powers and in a very friendly way he offers Jack a tantalizing deal Of course it comes at a cost but if the price seems a little steep does it really matter as long as the Cubs might have a chance to be WORLD CHAMPIONS Mort makes a fascinating read out of every subject he takes up The Associated Press If one test of Mort's skill is to keep the reader turning pages after he guesses the ending the acid test is to get a reader hooked even though he knows what happens before he opens the book The Washington Times

Of Love and Shadows Isabel Allende, 2016-03-29 A woman reporter in a Latin American country and a photographer are sent on a routine assignment The two uncover a hideous crime the revelation of which could challenge the terrorism of the military regime

If Only We Could See Gary Commins, 2015-10-12 This analytical polemical and personal book creates a lively interaction between mysticism and activism Looking beyond superficial links between spirituality and justice it creates an in depth engagement of mysticism as an inner revolution and activism as a mirroring socioeconomic transfiguration Based on the twin premises of the mystical tradition and Social Gospel liberation theology that those who experience God in prayer or engage in social action ought to be our primary theologians it examines what these two traditions say about theology to each other and to us The broad synthesis that results from this fascinating dialogue brings new insights into mysticism activism theology and ethics and casts a unique light on how we pray and live If Only We Could See brings together a wealth of spiritual material from the early Desert medieval mystics and modern spiritual writers alongside an equally rich resource of abolitionists anti apartheid activists civil rights leaders nonviolent change agents and peacemakers The results yield valuable insights for a theology that challenges every personal and political status quo

All Charges Dropped! Haroldo S. Camacho, Donavon Riley, 2023-09-19 So many charges so little forgiveness So much fear so little trust So many chains so little freedom So much guilt such great condemnation Such great thick volumes of the law so few pages granting pardons This was my day in day out reality as I worked in the courtrooms as a Certified Court Interpreter You will enter the courtrooms The narratives will almost make you believe you are present in the audience You will follow divorce proceedings murder felony trials kids appearing in juvenile hall for truancy drug trafficking in the schools and more serious matters All these narratives become jumping boards for entering the greater courtroom Here we must all appear before the judgment seat of God And all our narratives and stories end here because a new narrative

begins Not our own but that of Another our Substitute our Attorney our Judge all in One Jesus Christ the King of forgiveness In this courtroom forgiveness overwhelms the charges Trust casts out all fear All chains are unshackled as the Word of absolution breaks all fetters Your sins are forgiven is the thread that binds all narratives in this devotional The law gives way to the Gospel Each story takes us from the earthly courtrooms where we hear mostly sentencing and condemnations to the heavenly throne of grace Here the Judge of the Universe has only one Word Forgiven But how on account of what law Or on account of whom You will see the answer clearly spelled out in each of the narratives of All Charges Dropped Forgiven sinners walk away in total freedom at this jaw dropping declaration of grace from the Judge of the universe At God s Word no guilt remains

British Children's Fiction in the Second World War Owen Dudley Edwards,2007-08-01 What children read in the Second World War had an immense effect on how they came of age as they faced the new world This time was unique for British children parental controls were often relaxed if not absent and the radio and reading assumed greater significance for most children than they had in the more structured past or were to do in the more crowded future Owen Dudley Edwards discusses reading children s radio comics films and book related play activity in relation to value systems the child s perspective versus the adult s perspective the development of sophistication retention and loss of pre war attitudes and their post war fate British literature is placed in a wider context through a consideration of what British writing reached the USA and vice versa and also through an exploration of wartime Europe as it was shown to British children Questions of leadership authority individualism community conformity urban rural division ageism class race and gender awareness are explored In this incredibly broad ranging book covering over 100 writers Owen Dudley Edwards looks at the literary inheritance when the war broke out and asks whether children s literary diet was altered in the war temporarily or permanently Concerned with the effects of the war as a whole on what children could read during the war and what they made of it he reveals the implications of this for the world they would come to inhabit [The Art and Craft of Pedagogy](#) Richard Hickman,2011-09-22 **Saturday Review** ,1877 *The Literary World* ,1899 [The Publishers Weekly](#) ,1890
