

THANKS

for **ALL** that you did today in your classroom...

For making a million little split second

DECISIONS for the benefit of your students.

For putting your own needs on hold and

keeping them the **FOCUS** of your day.

For **PLANNING** for them long before today

ever got rolling.

For **CHANGING** those plans because they didn't

fit someone who needed a little extra.

For smiling, **LAUGHING WITH THEM** and reassuring

their efforts, trials and mistakes.

For placing your hand on a shoulder that

was **EXACTLY** what someone needed.

For getting down on the physical level of

your students because **IT MATTERS**.

For thinking of a new way to reach

someone who wasn't getting it.

You matter.

Yes — **YOU MATTER.**

4th Grade Teacher Appreciation Poems:

Mostly Love Poems Brittney Taylor, 2012-01-02 *Mostly Love Poems* is a collection of some of Brittney Taylor's personal and private poetry from 2005 when she was 15 years old to her present feelings in 2011. Take a journey through a young woman's life as she experiences love, pain, confusion, loss, and eventually victory through her heartfelt poetry. *Resources in Education*, 2001. Hearings, Reports and Prints of the Senate Committee on the Judiciary United States. Congress. Senate. Committee on the Judiciary, 1967. **The Last Rose** Curtis D. Ward, 2014-07-03 *The Last Rose* is a lovely book of beautiful poetry and thought provoking prose. From lofty words of love uttered in a garden of roses to the darkness of despair on Lover's Leap from the inner struggles of man's inner madness to the joy of celebrating faith in God, the poetry and prose in this book are sure to touch your soul and enlighten your spirit. This book contains poetry touching all genres of life including those of divine inspiration. But this is not just a book of poetry; it also contains prose and short essays dealing with life, loss, and love. In a modern age that is hurried, anxious, and threatening, the world sometimes seems to be a dark place indeed. But in this world of entropy and decay, we can still find some wonder and beauty that has survived. In the darkness of his autumn season, the author has personally discovered a divine symbol of hope: the last Rose of Summer. Educational Research Document Summaries Educational Research Information Center (U.S.), 1966. **Grade Teacher**, 1956. **The Candy Smash** Jacqueline Davies, 2013. Explores the distinctive power of poetry and love in fourth grade style. *How to Get the Best Education Possible for Your Child, Kindergarten-6th Grade* Debra E. West, 2008-01-01. Dictionary of Occupational Titles, 1939. Supplement to 3d ed. called *Selected characteristics of occupations: physical demands, working conditions, training time* issued by Bureau of Employment Security. Dictionary of Occupational Titles United States Employment Service, 1939. Normal Instructor and Teachers World, 1935. *Cherish Memories* Joan Jean McCarthy, 2011-10-24. Everyone of us all have stories to be told. We all can write about our own individual love, happiness, emotional, physical pain, sorrow that we all experienced in our lifetime. All of my writings in my biography are based on my own personal experiences, observations that I had in my own personal lifetime. My personal biography is a road path of my personal life which will help others to gain some insight into the choices that I made as an individual, that I am as a person along the way of my unique lifetime. Everyone's life is different and unique. There is no one person who basically leads the same life as far as experiences, unpredictable happenings are concerned. This is why everyone's life is unique and interesting to read about. In my biography, I am the subject. I express my views on things, my version of events that took place in my lifetime. By confronting my own unique painful memories as well as happy and exciting ones, and by writing my own biography, makes me feel better as a person and to be able to share my good and bad experiences with my readers. Also, the story of my personal life is so important to those who love and respect me. By relating my memories and insights, will long be valued and treasured by all my beloved family members. The true gift of my personal biography will be complete only when I had shared my unique biography with family.
