## Behind The Enchanted Door:

The Enchanted Door Carnegie Library of Pittsburgh,1929      **Underground** Hunter Graves,2025-05-02 A year ago everything changed The world learned that Magicians exist not through peaceful revelation but through destruction The Empire State Building was reduced to rubble by a terrorist attack fueled by Magic and ever since fear has ruled the streets Magicians like me We ve been hunted imprisoned or worse Now I keep my head down hidden in the shadows of a new life with my uncle No heroics no rebellion just survival I don t want to fight for Magician rights I don t want to relive my past And I certainly don t want to rescue the mysterious stranger who reappears from it But fate doesn t care what I want One reckless decision pulls me into a storm of conspiracies betrayals and a terrorist plot that could set the world on fire again Hiding is no longer an option And the deeper I go the more I realize if I don t fight back I may not make it out alive      **A Road of Stars** Ardath Mayhar,2009-01-01 The greatest dancer of her generation slowly dying from cancer finds herself transported into the worlds displayed on paintings of the roads paths and streets that she never had time to explore throughout her demanding career This helps her reconcile with her hostile relatives and helps her to find peace before her own passing      *Murder in Candlekeep* Adrian Badi,2025-05-10 In a world where knowledge is power and Candlekeep is its vault six unlikely souls are drawn into a conspiracy older than kingdoms and darker than hell itself When the Keeper of Tomes is murdered under impossible magical circumstances an eclectic band composed of a disgraced dragonborn prince a wererat ranger haunted by his family s death a big mouthed halfling professor a monk with a debt to the dead a brooding elven warlock and a silent feline touched by powers unknown is tasked with unraveling the truth But truth is dangerous in Candlekeep Especially when it sings A cursed rhyme whispers through the halls A forgotten demon spirit stirs beneath the stacks And in the shadows a beholder named Salabur puppet master pact broker devourer of kings pulls the strings of war politics and memory one soul at a time With the continent s great powers distracted by internal strife devils breach the veil between planes and the six are sent on a doomed expedition into the ruins of Mithral Hall a dwarven metropolis now lost to shadow rot and betrayal They were sent to die But death may be the only way out      *The Chalice of Echoes* Steven W. Truelove,2025-08-18 Cutting a thorn is no good if you do not pull up the root Elrith and his allies may have shattered Soleena s plans once but the sorceress is far from defeated With the Shadow Codex destroyed she will stop at nothing to claim the Nexus of Arcanus and reshape the world in her image Fortified by the hushed promises of those who still serve her in the darkness of her sanctuary she has found the first thread of a new path one paved with ancient artifacts and forbidden magic one that could bring Atherin to its knees Meanwhile Elrith and his companions embark on a desperate quest to stop the sorceress Their only hope lies in the Element Artifacts relics said to hold the power to seal the Nexus forever But as lost histories resurface and uneasy alliances take shape the lines between friend and foe blur threatening their mission In a world where power can be bought with blood to what lengths will Elrith be willing to go to stop Soleena once and for all The battle

between light and shadow deepens in this spellbinding second installment of the Nexus of Arcanus trilogy Will courage and unity be enough to stand against the tides of dark magic Or will Soleena finally attain the dominance she so desires
