Joint Committee on Human Rights, 2009 Any of our Business Human rights and the UK private sector first report of session 2009 10 Vol 2 Oral and written Evidence **Government Employee Relations Report**, 1981 *Bus Transport* David A. Hensher, 2020-04-17 *Bus Transport Demand Economics Contracting and Policy* examines in one source the most critical and current research themes of public transport relevant to regulators planners operators researchers and educators It highlights the wider economic impacts of public transport and compares energy usage across all public transport modes The book examines the evolving debate on Mobility as a Service MaaS and includes discussion of such themes as public image issues performance measurement and monitoring contract procurement and design models travel choice and demand and global public transport reform The book reflects the leading perspectives on the preservation and health of the bus sector intending to move public transport reform forward INTELLIGENT TRANSPORT SYSTEMS PRADIP KUMAR SARKAR, AMIT KUMAR JAIN, 2017-11-15 Over the time Intelligent Transport System ITS has become important for any country not only for traffic congestion management but also for modern infrastructure and safety Since there is a dearth of literature on this subject this book attempts to fill the gap and provides a holistic work on ITS encompassing theory examples and case studies on various facets in both road and railway sectors The basic principles of various technologies used for ITS have been explained in such a manner that students from non technical background can also comprehend them with ease It also discusses the emerging technologies such as autonomous vehicles electric vehicles cooperative vehicle highway system automated highway systems 5G mobile technology etc Considering the need of huge funds required for ITS implementation the text provides various funding options available Conclusively it is a unique book that contains all aspects of ITS which a student of engineering is expected to know The book is intended as a text for postgraduate students of transportation engineering and as a reference book for professionals such as transport planners town planners traffic engineers transit operators and consultants Key Features ITS architecture with a number of case studies based on real life situation Concept of smart city importance of advanced transport system and applications of ITS technologies in smart cities ITS in Rail sector intelligent trains train control systems and intelligent train maintenance practices Chapter end questions for practice and bibliography **Windows onto Jewish Legal Culture** Hanina Ben-Menahem, Arye Edrei, Neil S. Hecht, 2020-06-30 This book opens windows onto various aspects of Jewish legal culture Rather than taking a structural approach and attempting to circumscribe and define every element of Jewish law *Windows onto Jewish Legal Culture* takes a dynamic and holistic approach describing diverse manifestations of Jewish legal culture and its general mind set without seeking to fit them into a single structure Jewish legal culture spans two millennia and evolved in geographic centers that were often very distant from one another both geographically and socio culturally It encompasses the Talmud and talmudic literature the law codes the rulings of rabbinical courts the responsa literature

decisions taken by communal leaders study of the law in talmudic academies the local study hall and the home But Jewish legal culture reaches well beyond legal and quasi legal institutions it addresses and is reflected in every aspect of daily life from meals and attire to interpersonal and communal relations Windows onto Jewish Legal Culture gives the reader a taste of the tremendous weight of Jewish legal culture within Jewish life Among the facets of Jewish legal culture explored are two of its most salient distinguishing features namely toleration and even encouragement of controversy and a preference for formalistic formulations These features are widely misunderstood and Jewish legal culture is often parodied as hair splitting argument for the sake of argument In explaining the epistemic imperatives that motivate Jewish legal culture however this book paints a very different picture Situational constraints and empirical considerations are shown to provide vital input into legal determinations at every level and the legal process is revealed to be attentive to context and sensitive to cultural concerns
