

How to Access MoneySKILL®-- Financial Literacy Course

Keep in mind that this is only necessary if you did not pass or did/will not take Personal Finance

1. Log into <http://www.moneyskill.org/ri>

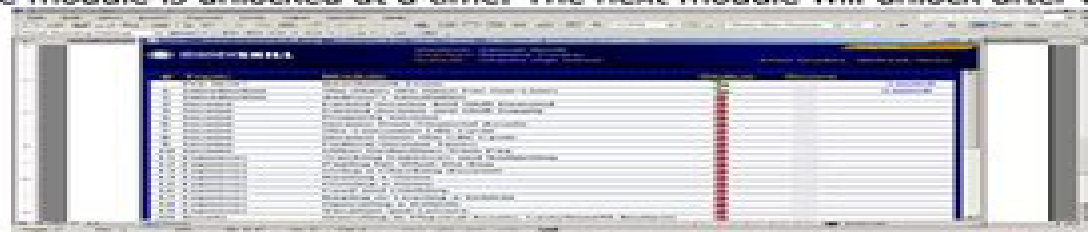

2. Click Launch MoneySKILL

3. To log in use your Student ID# (user name) and Password. These are the same as you would use to log onto any school computer.

4. You will then complete each module. To do so click *launch* in the right hand column, read or listen to the tutorial then answer the questions that follow.
5. You can only access those modules that are unlocked in the status column and shown in green. Only one module is unlocked at a time. The next module will unlock after the prior one is completed.

6. The Pretest is unlocked and strongly suggested, but not required to complete.
7. If you do not meet the score of a 70, you may go back in and retake a module.
8. When ending your session, you must click logout so your session is saved properly.
9. Once you have completed all 32 modules with an average score of 70 or better, print out your score sheet and scan into Expectation #9.

Expect to take approximately 15-20 minutes per module, so please plan accordingly.
