Moses As A Leader Ks:

The Enduring Indians of Kansas Joseph B. Herring, 1990-07-18 The Cherokees Trail of Tears and the forced migration of other Southern tribes during the 1830s and 1840s were the most notorious consequences of Andrew Jackson's Indian removal policy. Less well known is the fact that many tribes of the Old Northwest territory were also forced to surrender their lands and move west of the Mississippi River. By 1850 upwards of 10,000 displaced Indians had been settled permanently along the wooded streams and rivers of eastern Kansas. Twenty years later only a few hundred mostly Kickapoos, Potawatomis, Chippewas, Munsees, Iowas, Foxes, and Sacs remained. Joseph Herring's The Enduring Indians of Kansas recounts the struggle of these determined survivors. For them the end of Indian Kansas was unacceptable and they stayed on the lands that they had been promised were theirs forever. Offering a good counterpoint to Craig Miner's and William Unrau's The End of Indian Kansas see opposite page Herring shows the reader a shifting set of native perspectives and strategies. He argues that it was by acculturation on their own terms by walking the fine line between their traditional ways and those of the whites that these Indians managed to survive, to retain their land and to resist the hostile intrusions of the white world. The story of their epic struggle to survive will place a new set of names in the pantheon of American Indian heroes.

Choosing to Lead Kenneth E. Clark, Miriam B. Clark, 1996 A crucial component of leadership is the element of choice. Regardless of how much a person studies leadership, it is essential that he or she makes a conscious choice to accept the leadership role. This book defines leadership, gives examples of research in the field, and explains how this knowledge can be used. It describes leadership development programs and surveys and considers the literature of leadership. Chapters 1 through 4 define leadership and describe ways in which it might be exercised. Chapters 5 and 6 highlight research methods used to demonstrate the impact of improved leadership. The seventh and eighth chapters describe a leadership development program at a well-known training center with a focus on the tests and materials completed by participants before arrival and the actual program activities. Various programs in the education and training of leaders and managers are described in chapter 9. The ways in which experience develops and modifies leaders' behaviors are reviewed in the 10th chapter. Chapter 11 examines the uses of survey methods to assess the mood of group members and inform leaders of the effectiveness of their communication programs. Studies of the use of power and position and the outcomes of such use are reviewed in the 12th chapter. Chapter 13 summarizes literature on leadership and cultural differences, and chapter 14 highlights how reported studies can help leaders work better with followers and organizations to achieve objectives. A total of 127 propositions offered throughout the book are summarized in the final chapter. Chapter notes, 8 tables, 6 figures, and an index are included. The appendix contains a list of questions for self-review. Contains 212 references. LMI

Boys' and Girls' 4-H Club Leader, 1929 Martin Luther King's Biblical Epic Keith D. Miller, 2011-11-15 In his final speech I've Been to the Mountaintop Martin Luther King Jr delivered his support of African American garbage workers on strike in Memphis Although some consider this oration King's finest it is mainly known for its concluding two minutes wherein King compares himself to Moses and seems to predict his own assassination But King gave an hour long speech and the concluding segment can only be understood in relation to the whole King scholars generally focus on his theology not his relation to the Bible or the circumstance of a Baptist speaking in a Pentecostal setting Even though King cited and explicated the Bible in hundreds of speeches and sermons Martin Luther King's Biblical Epic is the first book to analyze his approach to the Bible and its importance to his rhetoric and persuasiveness Martin Luther King's Biblical Epic argues that King challenged dominant Christian supersessionist conceptions of Judaism in favor of a Christianity that affirms Judaism as its wellspring In his final speech King implicitly but strongly argues that one can grasp Jesus only by first grasping Moses and the Hebrew prophets This book also traces the roots of King's speech to its Pentecostal setting and to the Pentecostals in his audience In doing so Miller puts forth the first scholarship to credit the mostly unknown but brilliant African American architect who created the large yet compact church sanctuary which made possible the unique connection between King and his audience on the night of his last speech
