The Clown Cries Blood Ernst Delma, Dancing with Sophia JAW VI,2025-09-25 If you have experienced serendipitous hints of the Divine this narrative may well resonate It might also inspire you to record your recollections of those existential connections. The author has logged his experiences over decades and recounts many of them from youth through Navy years

professorships political campaigns and through journeys as a priest JAW VI s sense of the Divine has been imaged as the Holy Spirit whom he addresses using the biblical name Sophia He has long sensed the Divine as dances with Her Some of the recounted connections have been somewhat dramatic through luminaries like Mother Teresa Dorothy Day and political and business leaders But most have been seemingly ordinary often conveyed through strangers and even some deceased as well as through family and friends Remarkably his most powerful connections with the Divine have been through the poor and powerless who have welcomed and tolerated him and guided him an admittedly clumsy dancer into some thrilling waltzes and tangos twists and twirls with the Holy Spirit Sophia Since She not the writer has been the lead dancer throughout a pseudonym is used for the author who struggled to follow Her moves Stolen Innocence; Let the Healing Begin Cheryl Williams, 2015-08-28 Everything that is done in secret will one day be exposed Cheryl's true life account tells all as she reveals how she was sexually violated as a toddler by her own grandfather Refusing to honor him with the title of Grand dad Cheryl refers to this man as Tom Davis She takes you on a journey from a frightened little girl to her becoming a voice for abused children whose voice are not being heard She writes With God a good Christian counselor and the support of various family members and friends this little girl is almost out of prison I unlock one closed door at a time and when I have faced that demon and have beaten him I don t turn around and close the door I give it a back kick and I don t look back I start walking toward the next locked door I take a deep breath I put the key into the lock and I step inside There are a few more doors to walk through When I kick that last door closed and feel the sun on my face I will finally be free and I hope to help others find their way Cooking from the Italians of Newark, New Jersey an Ethnic Experience Barone Callah Elizabeth Barone Callahan, Elizabeth Barone Callahan, 2009 Newark New Jersey was a thriving Italian American community with ties to southern Italy and Sicily with waves of immigrants coming from 1870 1950 According to New Jersey census data from 2000 Italian Americans are the largest ethnic group in the state There are two million citizens in the state that claim Italian descent Many of these residents have ancestors who lived in Newark's First Ward The purpose of writing this book is both biographical and cultural and also the need to preserve recipes as a link to the history of a neighborhood that vanished five decades ago Many recipes have been verbally passed down and the primary focus of the book is to preserve them for future generations Although the book is original to a specific geographical area the peasant food described in the recipes has become very popular in upscale Italian restaurants The food is healthy and delicious The old neighborhood was teaming with specialty shops including grocery stores cheese shops bread stores bakeries meat markets a chicken market and colorful peddlers There was a pizza parlor that always used linen tablecloths and napkins Every house had a stoop colloquial name for small front porch and on every stoop was a favorite chair often carried down several flights of stairs and a Nona or Zia would be seated watching over the neighborhood These immigrants took great pride in their homes and community and knew everyone on the block and provided an informal but effective neighborhood watch When they were not sitting on the stoop

they could be seen sweeping the sidewalks One ritual that has faded from the experience of Italian Americans is Sunday Dinner with Sunday Gravy It was a time when families sat and ate at a leisurely pace with grandparents aunts uncles and cousins gathered in one home It is hoped that COOKING FROM THE ITALIANS OF NEWARK NEW JERSEY AN ETHNIC EXPERIENCE will provide each reader with the collective memories of sitting at the table with family
