„And on this Rock I Will Build My Church“. A New Edition of Philip Schaff's „History of the Christian Church“ Muhammad Wolfgang G. A. Schmidt, 2017-07 This voluminous work on Church History by Philip Schaff 1819-1893 was originally published between 1858 and 1893 in eight volumes in the USA and covers the period from the beginnings of Biblical Christianity in A.D. 1 to the History of the Reformation in Germany and Switzerland 1517-1648. Being still a popular text in North America this work had been out of print for over a century and has now been carefully edited and reformatted for republication in three volumes each of them containing the text of two volumes of the original edition. Schaff's work unlike other works in the field covers a multitude of church history related aspects from church doctrine policy events and processes to aspects of social moral and family life arts and more. It is a very comprehensive text extremely well written and readable rich in material and sources used and attests to the excellence of Protestant German theological scholarship under the influence of emerging Historical Critical Biblical Exegesis at his time. This third volume in this series covers the period from Gregory VII to the eve of the Protestant Reformation A.D. 1049-1517.
