Hamm,2011 This is a print on demand edition of a hard to find publication Examines terrorists involvement in a variety of crimes ranging from motor vehicle violations immigration fraud and mfg illegal firearms to counterfeiting armed bank robbery and smuggling weapons of mass destruction There are 3 parts 1 Compares the criminality of internat jihad groups with domestic right wing groups 2 Six case studies of crimes includes trial transcripts official reports previous scholarship and interviews with law enforce officials and former terrorists are used to explore skills that made crimes possible or events and lack of skill that the prevented crimes Includes brief bio of the terrorists along with descriptions of their org strategies and plots 3 Analysis of the themes in closing arguments of the transcripts in Part 2 Illus      **Terrorism as Crime** Mark S. Hamm,2007-03 Car bombing suicide bombing abduction smuggling homicide and hijacking are all profoundly criminal acts In *Terrorism as Crime* Mark S Hamm presents an understanding of terrorism from a criminological point of view arguing that the most successful way to understand detect prosecute and deter these acts is to use conventional criminal investigation methods Whether in Oklahoma City or London *Terrorism as Crime* demonstrates that criminal activity is the lifeblood of terrorist groups and that there are simple common denominators at work that can remove the mystery surrounding many of these terrorist groups Once understood the vulnerabilities of these organizations can be exposed This important volume focuses in on six case studies of crimes committed by jihad and domestic right wing groups including biographies of more than two dozen terrorists along with descriptions of their organizations strategies and terrorist plots *Terrorism as Crime* offers an original and significant framework for explaining international and domestic terrorism as well as how future acts might be detected or exposed      **My Father's Land** Rui Batista,2025-03-23 Some journeys begin with hope Others begin with loss When war reached Angola one family had no choice but to leave everything behind Forced from

the only home they had ever known they fled first to Portugal then to Brazil searching for stability in a world that seemed to reject them at every turn Crime poverty and uncertainty followed shaping their experiences as they moved between cultures continents and new realities When they finally made their way to the United States the dream of a better life came with new challenges the fear of being undocumented the struggle to gain legal status and the constant pressure of adapting to yet another country that didn't always welcome them Through it all childhood unfolded in the shadows of instability marked by moments of joy uncertainty and an unshakable connection to family My Father's Land is more than an immigrant's story it's a gripping account of survival sacrifice and the enduring pull of home From the tight knit villages of Portugal to the sprawling streets of S o Paulo and finally to the uncertain promise of America this memoir is a vivid portrait of growing up between worlds Told with honesty warmth and a touch of humor My Father's Land explores what it means to belong when home is no longer a place but a collection of memories people and the land that shaped you

**Intelligence and Surprise Attack** Erik J. Dahl, 2013-07-19 How can the United States avoid a future surprise attack on the scale of 9 11 or Pearl Harbor in an era when such devastating attacks can come not only from nation states but also from terrorist groups or cyber enemies

Intelligence and Surprise Attack examines why surprise attacks often succeed even though in most cases warnings had been available beforehand Erik J Dahl challenges the conventional wisdom about intelligence failure which holds that attacks succeed because important warnings get lost amid noise or because intelligence officials lack the imagination and collaboration to connect the dots of available information Comparing cases of intelligence failure with intelligence success Dahl finds that the key to success is not more imagination or better analysis but better acquisition of precise tactical level intelligence combined with the presence of decision makers who are willing to listen to and act on the warnings they receive from their intelligence staff The book offers a new understanding of classic cases of conventional and terrorist attacks such as Pearl Harbor the Battle of Midway and the bombings of US embassies in Kenya and Tanzania The book also presents a comprehensive analysis of the intelligence picture before the 9 11 attacks making use of new information available since the publication of the 9 11 Commission Report and challenging some of that report's findings
