The Pledge Michael Masterson, 2010-10-26 An actionable guide for quickly improving one's wealth, personal development and happiness. Successful people don't sit around waiting for everything to be 100% right or to be absolutely sure they will succeed. They don't need absolute assurance because they realize life doesn't provide any. To get what they want out of life, they set specific goals and put together a formal plan to achieve those goals one step at a time. The book offers simple tips to making immediate changes and to establishing long-term goals. Details strategies on becoming more productive at the office and defeating depression. Explains why simplifying goals into four major ones makes them much easier to achieve.
