Aberdeenshire Joseph Sharples, David W. Walker, Matthew Woodworth, Richard Fawcett, Jane Geddes, Andrew A. McMillan, Gordon Noble, Charles O'Brien, 2015 The second of two books exploring the buildings of the north east of Scotland this volume surveys Aberdeen the nation's third largest city and the southern area of Aberdeenshire including the former county of Kincardineshire Among Aberdeen's architectural highlights are the great medieval cathedral and burgh church of St Nicholas the buildings of King's College and magnificent civic commercial and domestic buildings of the Victorian and Edwardian age In addition the book showcases not only Aberdeenshire's greatest houses and castles including Crathes Craigievar and Balmoral the royal family's Scottish estate but also buildings and monuments as varied in scale and type as prehistoric hillforts Georgian town houses rural churches fishing lodges and textile mills Both volumes are comprehensively illustrated with specially commissioned colour photography

Aberdeenshire David W. Walker, Matthew Woodworth, Richard Fawcett, Andrew A. McMillan, Gordon Noble, 2015 This volume is the first of two to illuminate the buildings of the northeast of Scotland It covers not only Aberdeenshire's historic districts of Formartine Buchan and Banff but also the whole of Moray Picturesque former fishing villages cling to the rugged coastline while the inland rivers support some of the most famous whisky distilleries in Scotland Also included are examples of the finest medieval ecclesiastical architecture notably the ruins of Elgin Cathedral major country houses such as Brodie Castle and Duff House as well as the churches and public buildings of the numerous planned settlements villages and major towns

Aberdeenshire Ian Shepherd, 2006 This is essentially an updated retitled second edition of GORDON An Illustrated Architectural Guide first published in 1994 by the Rutland Press Its author remains Ian Shepherd as before The previous edition was out of print so this new version is a welcome addition to the Guides published by the RIAS The area covered is explained by the title with the architecture of the North East towns of Huntly Alford Ellon Kintore and Oldmeldrum covered among others These GUIDES are little gems of knowledge of the areas they cover and this one is no exception The only criticism is the size of the high quality illustrations which are too small for people with poor eyesight It does however make the book eminently portable to take on any sightseeing expedit
