AIR TRACTOR, INC. MODEL AT-402A/402B PARTS MANUAL

Introduction

This publication provides information for identifying and ordering replacement parts for the AT-402A/402B aircraft.

This Parts Manual is organized in nine related parts groups, each with one or more illustration figures. The figures identify each replacement part with an item number.

The tabulation which follows each figure presents parts in order of item number, following each item number is the Air Tractor part number, manufacturer order number or JANAFS number, an abbreviated description and the quantity required for the parts group illustrated.

Care is required in selecting any replacement parts because some parts require special installation procedures such as welding, fitting to fit or critical alignment.

There have been revisions and additions to the AT-402A/402B aircraft. This manual includes the latest part configuration as the time of publication.

Introduction / Page 1 (AT-402A/402B)

AT-401/401B

These aircraft have their own parts manuals, but some parts groups have many identical or similar parts and this manual may be useful to order replacement parts providing the following precautions are observed.

Include with each page under the full aircraft model number, aircraft serial number and any other pertinent information.

Ordering Information

Include with each item ordered the Air Tractor part number or code number and the part description or JANAFS number. Shipments are normally made by United Parcel Service or by motor freight for large items.

Place all orders with the nearest Air Tractor dealer.
