Hess,2019-05-22 Music Education for Social Change Constructing an Activist Music Education develops an activist music education rooted in principles of social justice and anti oppression Based on the interviews of 20 activist musicians across the United States and Canada the book explores the common themes perceptions and philosophies among them positioning these activist musicians as catalysts for change in music education while raising the question amidst racism and violence targeted at people who embody difference how can music education contribute to changing the social climate Music has long played a role in activism and resistance By drawing upon this rich tradition educators can position activist music education as part of a long term response to events as a crucial initiative to respond to ongoing oppression and as an opportunity for youth to develop collective expressive and critical thinking skills This emergent activist music education like activism pushing toward social change focuses on bringing people together expressing experiences and identifying and challenging oppressions Grounded in practice with examples integrated throughout the text Music Education for Social Change is an imperative and urgent consideration of what may be possible through music and music education **Rage Becomes Her** Soraya

Chemaly,2018-09-20 A conversation shifting book urging 21st century women to understand their anger embrace its power and use it as a tool for positive change How many women cry when angry because we've held it in for so long How many discover that anger turned inward is depression Soraya Chemaly's **Rage Becomes Her** will be good for women After all women have a lot to be angry about GLORIA STEINEM Women are angry and it isn't hard to figure out why We are underpaid overworked thwarted and diminished The assertive among us are labelled bitches while the expressive among us are considered shrill We are told to stand down when we have an opinion and to calm down when we are fired up And when we somehow manage to put one high heel battered foot in front of the other despite all of this we're asked if it would kill us to smile We are mad as hell and that's completely okay Because contrary to the endless barrage of self help rhetoric about anger management and letting go the reality is that our rage is the most important resource we have as women a force for creation rather than destruction our sharpest tool against both personal and political oppression Anger is not what gets in our way it is our way All we need to do is own it This is a pitch perfect engaging and accessible credo written by one of today's most influential feminists Analysing female anger as it relates to topics like self worth objectification pain care fear silence and denial Soraya illuminates how and why we repress our anger revealing the harm that this causes and helping us recognise the liberating power of owning our anger and marshalling it as a vital tool for positive change Just as Quiet brought about a new embrace of introversion **Rage Becomes Her** will bring about an embrace of feminine anger that will leave women feeling liberated inspired and connected to an entire universe of women who are no longer interested in making nice **Get Set, Go!** Thomas R. Guskey,2020-03-06 Make school a better experience for students by ensuring grading and reporting practices are honest accurate meaningful and fair A companion to the best selling and award winning **On Your Mark** this practical guide details how to successfully lead lasting grading reform Dr Thomas R Guskey simplifies the transition by
