Notes Stage

- *Make sure everyone finds a seat and is in the correct group.*
- *As a trainer, you must keep the training going with minimal interruptions. Allow your ASSISTANTS to handle disruptions.*

Welcome to the training session! As your trainer, I will guide you through everything you need to do in order to rank up.

Before we begin, you should be seated at all times. If you cannot see my chat, adjust your camera.

Unless instructed to do so, leaving your seat will result in a warning.

The first stage of training will be the notes section. Listen carefully as I explain the training procedure you will undergo during your time at Washiez.

By passing THREE training sessions, you will receive the rank Head Operator.

Each training session you attend, you will be promoted ONE rank.

By passing this training session, you will be ranked to Junior Operator and can work at the car wash.

Continue attending training sessions to work your way up the ranks.

Although, once you achieve the rank Head Operator, you will NOT be able to attend training sessions.
