Corrected Convicted Accepted Apostle Joseph Paul Brown, 2014-07-14 Have you lost hope in life Have you tried everything possible to get on track Have you experienced the blessed favor of abundance in your life and somehow ended up losing it all Have you recovered from your greatest mistakes in life Only you that have took a look at the back of this book can answer these questions No one else can answer for you Maybe you are on the prosperous side of living and perhaps may know of an individual who may be struggling with the battle of grabbing life by the horns while trying to come back to Jesus from a backsliding state or condition This book is a living testimony of the Apostle Joseph Paul Brown who brings to the front the many obstacles and challenges hes had to face during an early age Alongside the testimony renders many scriptures shared to empower others who have suffered loss made mistakes and turned from Christ The Job experience is not the only character ever to exist that has suffered hardship and adversity But many others have experienced all sorts of pain and suffering around the world The interesting part about pain and suffering is that no one can minimize the level of pain a person feels by measuring the capacity of the problem than judging rather the individual should have been strong enough to handle it or not But it is our job as children of God and those who are strong to bear the infirmities of the weak We are to do what we can in a wise manner to win as many souls for Christ as possible and to be a light to those in darkness even if that means sharing your life testimony and how you have overcome Be blessed by the reading of this book and let others who are in trying times in their lives know about this book that many

 An incredible novel detailing both a simple love story and the impact of the arrival of the white man on the Australian Aborigines told from the viewpoint of a native Australian about to be married a powerful piece written with passion and compassion The reader can only be deeply touched by the story but the images it evokes and by the impact they have on his her perceptions of Aboriginal people and their lives great writing It is hard to imagine a fictional work which better imparts an understanding of the impact and implications of wiping out a race

Life Is Magic Jon Dorenbos, 2020-11-03 Jon Dorenbos is a magical person Life Is Magic shows how we can all choose happiness in the face of overwhelming odds Ellen DeGeneres An extraordinary and empowering story of resilience forgiveness and living a life of purpose in the face of unfathomable obstacles You may know him as an NFL All Pro or as a world class magician who made the finals of America's Got Talent but Jon Dorenbos says that what he does is not who he is He is someone who coached himself at the most tender of ages to turn tragedy to triumph One morning in August 1992 when Jon was twelve years old and living a seemingly idyllic childhood in suburban Seattle he woke up for baseball camp His dad waved goodbye Later that day Jon heard the news his father had murdered his mother in the family's three car garage In an instant his life had shattered He'd essentially been orphaned Thrust into foster care while his father stood trial for murder Jon struggled Left to himself he discovered an unlikely escape performing magic tricks If you found a way to alter your reality after your dad your hero killed your mom

wouldn't you cling to it too Then came football which provided a release for all of his pent up anger Together magic and football saved him leading to fourteen NFL seasons on the gridiron and raucous sleight of hand performances to packed houses across the globe In 2017 he was diagnosed with a life threatening heart condition leaving him with a choice To either break down or as he'd by now long taught himself bounce back Life Is Magic shows how we can all choose happiness in the face of overwhelming odds Ellen DeGeneres and provides a roadmap for overcoming even the darkest of times Jon's story is poignant and powerful told by a charismatic and optimistic man who has overcome life or death challenges with grace persistence a childlike sense of wonder and jaw dropping card tricks

Slingers Jason M. Green, 2009-07-20 A few years into the American Civil War mysterious events began occurring and they caused the North and South to put aside their differences and unite once more to battle the common threat However the might of their newly united armies was not enough to combat things that were once thought to be merely myth and they were forced to rely on men and women who had unusual powers and who were just as mysterious as the creatures that they were fighting These people were viewed as a necessary evil and they came to be called Spellslingers Most were little better than mercenaries and bounty hunters but no one could argue with their effectiveness when it came to dealing with things beyond the comprehension of mere mortals Over two decades after the end of the Civil War a pair of Slingers named Jacob and Nathaniel Creed are made unwilling participants in a plot that has the potential to bring about the end of humanity Together with a mercenary and a female Slinger and armed with only their weapons and their special abilities they travel the southern United States and part of Central America in search of answers and a way to save a world filled with people who hate and fear them They all know that whether they win or lose nothing will ever be the same
