Federal Impeachment Process A Constitutional And Historical Analysis:

The Federal Impeachment Process Michael J. Gerhardt, 2000 Throughout President Clinton's impeachment proceedings the contending sides agreed on very little One exception was The Federal Impeachment Process the most complete analysis of the constitutional and legal issues raised in every impeachment proceeding in American history In this edition Michael Gerhardt draws on his experience as a commentator and expert witness to examine the likely political and constitutional consequences of President Clinton's impeachment and trial Placing the President's acquittal in historical perspective he argues that it fits easily within the impeachment process as it has evolved over the past two centuries Impeachment he shows is an inherently political process designed to expose and remedy political crimes Subject neither to judicial review nor to presidential veto it is a unique congressional power that involves both political and constitutional considerations including the gravity of the offense charged the harm to the constitutional order and the link between an official's misconduct and duties Significantly updated this book will be the standard work on the federal impeachment process for years to come On the first edition The most comprehensive analytic study of the federal impeachment process to date Choice This book is by some margin the most successful analysis of impeachment issues to have been written and it will be the standard work for years to come Constitutional Commentary *The Constitution of the United States of America, Analysis and Interpretation, Centennial Edition, Analysis of Cases Decided by the Supreme Court of the United States to June 28, 2012* United States, 2013 Centennial edition Popularly known as the Constitution Annotated or CONAN encompasses the U S Constitution and analysis and interpretation of the U S Constitution with in text annotations of cases decided by the Supreme Court of the United States The analysis is provided by the Congressional Research Service CRS in the Library of Congress This is the 100th anniversary edition of a publication first released in 1913 at the direction of the U S Senate Since then it has been published as a bound edition every 10 years with updates issued every two years that address new constitutional law cases Audience Federal lawmakers libraries law firms constitutional scholars *Proceedings of the United States Senate in the Impeachment Trial of G. Thomas Porteous, Jr., a Judge of the United States District Court for the Eastern District of Louisiana*, 2011 *The Oxford Companion to American Law* Kermit L. Hall, David S. Clark, James W. Ely, Joel B. Grossman, N. E. H. Hull, 2002-05-02 A landmark in legal publishing The Oxford Companion to the Supreme Court is a now classic text many of whose entries are regularly cited by scholars as the definitive statement on any particular subject In the tradition of that work editor in chief Kermit L Hall offers up The Oxford Companion to American Law a one volume A Z encyclopedia that covers topics ranging from aging and the law wiretapping and electronic eavesdropping the Salem Witch Trials and Plessy vs Ferguson The Companion takes as its starting point the insight that law is embedded in society and that to understand American law one must necessarily ask questions about the relationship between it and the social order now and in the past The volume assumes that American law in all its richness and complexity cannot be understood in isolation as

simply the business of the Supreme Court or as a list of common law doctrines Hence the volume takes seriously issues involving laws role in structuring decisions about governance the significance of state and local law and legal institutions and the place of American law in a comparative international perspective Nearly 500 entries are included written by over 300 expert contributors Intended for the working lawyer or judge the high school student working on a term paper or the general adult reader interested in the topic the Companion is the authoritative reference work on the subject of American law

Role of the Senate in Judicial Impeachment Proceedings Susan Navarro Smelcer, 2010-08 Contents 1 Intro 2 Overview of the Impeachment Process in the House and Senate 3 Rules Governing Senate Impeachment Proceedings 4 Organizing the Senate for Trial 5 Role of the Presiding Officer 6 Use of an Impeachment Trial Committee Org and Respon of the Committee Procedure During the Preliminary Phase of Its Proceedings Procedure During the Evidentiary Phase of Its Proceedings Submitting a Report to the Full Senate 7 Deliberation by the Full Senate 8 Judgment by the Full Senate 9 Length of Senate Impeachment Trials 10 Concluding Observations App A H Res 1031 Articles of Impeachment Against Judge G Thomas Porteous App B Chart of the Senate Impeachment Trial Process Tables

The Concise Princeton Encyclopedia of American Political History Michael Kazin, Rebecca Edwards, Adam Rothman, 2011-08-28 Contains 150 articles that provide information about significant topics in American political history including ideas philosophies movements economics religion and more

Examining the Allegations of Misconduct Against IRS Commissioner John Koskinen United States. Congress. House. Committee on the Judiciary, 2016

The Oxford Encyclopedia of American Political and Legal History Donald T. Critchlow, Philip R. VanderMeer, 2012-06-07 The Oxford Encyclopedia of American Political and Legal History brings together an unparalleled wealth of information about the laws institutions and actors that have governed America throughout its history Entries key political figures important legislation and governmental institutions broad political trends relating to elections voting behavior and party development as well as key court cases legal theories constitutional interpretations Supreme Court justices and other major legal figures Emphasizing the interconnectedness of politics and law the more than 430 expertly written entries in the Encyclopedia provide an invaluable and in depth overview of the development of America s political and legal frameworks

Taking the Constitution Away from the Courts Mark Tushnet, 2000-07-24 Here a leading scholar in constitutional law Mark Tushnet challenges hallowed American traditions of judicial review and judicial supremacy which allow U S judges to invalidate unconstitutional governmental actions Many people particularly liberals have warm and fuzzy feelings about judicial review They are nervous about what might happen to unprotected constitutional provisions in the chaotic worlds of practical politics and everyday life By examining a wide range of situations involving constitutional rights Tushnet vigorously encourages us all to take responsibility for protecting our liberties Guarding them is not the preserve of judges he maintains but a commitment of the citizenry to define itself as We the People of the United States The Constitution belongs to us collectively as we act in political dialogue with each other

whether in the street in the voting booth or in the legislature as representatives of others Tushnet urges that we create a populist constitutional law in which judicial declarations deserve no special consideration But he warns that in so doing we must pursue reasonable interpretations of the thin Constitution the fundamental American principles embodied in the Declaration of Independence and the Preamble to the Constitution A populist Constitution he maintains will be more effective than a document exclusively protected by the courts Tushnet believes for example that the serious problems of the communist scare of the 1950s were aggravated when Senator Joseph McCarthy s opponents were lulled into inaction believing that the judicial branch would step in and declare McCarthy s actions unconstitutional Instead of fulfilling the expectations the Court allowed McCarthy to continue his crusade until it was ended Tushnet points out that in this context and in many others errors occurred because of the existence of judicial review neither the People nor their representatives felt empowered to enforce the Constitution because they mistakenly counted on the courts to do so Tushnet s clarion call for a new kind of constitutional law will be essential reading for constitutional law experts political scientists and others interested in how and if the freedoms of the American Republic can survive into the twenty first century

The Power of Precedent Michael J. Gerhardt, 2008-02-12 Updated to reflect recent legal cases The Power of Precedent presents an in depth look at the role that precedent plays in constitutional decision making Clearly outlining the major issues in the continuing debates on the significance of precedent and evenly considering all sides Michael Gerhardt s extensive exploration of precedent leads him to formulate a more expansive definition of it one that encompasses not only the prior constitutional decisions of courts but also the constitutional judgments of other public authorities Gerhardt concludes his study by looking at what the future holds for the concept as he examines the decisions and attitudes toward precedent exhibited by the shift from the Rehnquist to the Roberts Court Ultimately The Power of Precedent vividly illustrates how constitutional law is made and evolves both in and outside of the courts

The Heritage Guide to the Constitution David F. Forte, Matthew Spalding, 2014-09-16 A landmark work of more than one hundred scholars The Heritage Guide to the Constitution is a unique line by line analysis explaining every clause of America s founding charter and its contemporary meaning In this fully revised second edition leading scholars in law history and public policy offer more than two hundred updated and incisive essays on every clause of the Constitution From the stirring words of the Preamble to the Twenty seventh Amendment you will gain new insights into the ideas that made America important debates that continue from our Founding and the Constitution s true meaning for our nation

White House Studies Compendium Robert W. Watson, 2007 brings together piercing analyses of the American presidency dealing with both current issues and historical events The compendia consists of the combined and rearranged issues of the journal White House Studies with the addition of a comprehensive subject index Preface

The Presidency and the Law David Gray Adler, Michael A. Genovese, 2002 Political scandals have always demonstrated the capacity of our executive officials for self inflicted injuries and the Clinton administration was no exception

Unilateral warmaking claims of executive privilege and immunity and last minute pardons all tested the limits of presidential power while the excesses of the Special Prosecutor cast doubts on available remedies For eight years Republicans and Democrats engaged in guerrilla warfare aimed at destroying the careers and lives of their adversaries while tests of presidential power were resolved by the courts resulting in a reshaping of the scope and power of the presidency itself This book examines the many controversial and important battles that led to the shrinking of the presidency under the law during the Clinton administration Located at the intersection of law and politics it helps readers understand the dramatic changes that took place in the relationship of presidential power to the law during the Clinton years and shows how one president's actions and congressional and legal reactions to them have altered presidential prerogatives in ways that his successors cannot ignore The Presidency and the Law offers an assessment of changes in constitutional and legal understanding of the American presidency exploring such topics as war power executive privilege pardon power impeachment executive immunity independent counsel and campaign finance In examining these collisions between president and the law its distinguished contributors bring the lessons of Watergate and Iran Contra into the Clinton era and contribute to a Madisonian view that presidents should not operate outside statutory and constitutional constraints While the essays offer several criticisms of that administration's exercise of power and its interpretation of constitutional provisions and law many of the authors have been supportive of Clinton and his policy pursuits and all seek to examine the potential impact of the Clinton administration without being predictive or legalistic They offer instead commentary analysis and criticism that examine the legality and constitutionality of President Clinton's actions within a broader political and historical context The presidency is constitutionally weaker and politically more vulnerable than the office Bill Clinton assumed in 1993 and it remains to be seen what impact these changes will have on the presidency in the 21st century This book points the way to assessing that impact and is essential reading for anyone concerned with the future of our democracy

The Constitution of the United States of America United States, 2004 Updated edition Year 2014 The Constitution of the United States of America Analysis and Interpretation 2014 Supplement Analysis of Cases Decided by the Supreme Court to July 1 2014 is available here <https://bookstore.gpo.gov/products/sku/052-071-01574-4> Senate Document 108-17 2004 revision Published at the direction of the U S Senate for the first time in 1913 it is popularly known as the Constitution Annotated or CONAN This publication has been published as a bound edition every 10 years with updates addressing new constitutional law cases issued every two years The analysis is provided by the Congressional Research Service CRS in the Library of Congress The print version is used primarily by federal lawmakers libraries and law firms Other related products Constitution Jefferson's Manual and Rules of the House of Representatives of the United States One Hundred Fourteenth Congress can be found here <https://bookstore.gpo.gov/products/sku/052-071-01572-8> Civics and Citizenship Toolkit can be found here <https://bookstore.gpo.gov/products/sku/027-002-00575-9> The Citizen's Almanac Fundamental Documents Symbols and Anthems of the United States can be found

here <https://bookstore.gpo.gov/products/sku/027002006062> How Our Laws Are Made 2007 can be found here <https://bookstore.gpo.gov/products/sku/052071014659> Our Flag can be found here <https://bookstore.gpo.gov/products/sku/052071014462> Disqualifying the High Court Louis J. Virelli III, 2016-06-03 Since at least the time of Justinian under statutes codes of judicial ethics and the common law judges have been expected to recuse themselves from cases in which they might have a stake The same holds true for the justices of the US Supreme Court For instance there were calls for Ruth Bader Ginsburg and Elena Kagan both of whom had officiated at gay weddings to recuse themselves from the recent marriage equity case Obergefell v Hodges Even a case like this where no justice bowed out reveals what a tricky ethical issue recusal can be but as Louis J Virelli demonstrates in this provocative work recusal at the Supreme Court also presents questions of constitutional power Disqualifying the High Court shows that our current understanding of how and when justices should recuse themselves is at odds with our constitutional design Viewing recusal through a constitutional lens Virelli reveals new and compelling information about how justices should decide recusal questions and in turn how our government should function more broadly Along the way he traces the roots and development of federal recusal law in America from as early as the Roman Empire up to the present day The Supreme Court's unique place at the top of the judicial branch protests the justices from some forms of congressional interference Virelli argues that constitutional law in particular the separation of powers prohibits Congress from regulating the recusal practices of the Supreme Court Instead those decisions must be left to the justices themselves grounded in the principles of due process assuring parties fair treatment by the judicial system and balanced against the justices rights to free speech Along with the clarity it brings to this highly controversial issue Virelli's work also offers insight into constitutional problems presented by separation of powers It will inform our evolving understanding of theory and practice in the American judicial system

British Origins and American Practice of Impeachment Chris Monaghan, Matthew Flinders, 2023-12-12 This collection brings together historians political scientists and legal scholars to explore the Anglo American origins of impeachment and its use in the USA Impeachment originated in England during the Good Parliament of 1376 It was used subject to several periods of disuse until the beginning of the nineteenth century The British form of impeachment in turn inspired the drafters of the US Constitution and the inclusion of a mechanism permitting the removal of members of the federal executive and federal judiciary These Anglo American origins of impeachment have inspired many constitutions around the globe to include impeachment mechanisms which permit in most cases the legislature to remove the President a Prime Minister ministers and judges This volume explores the origins influence and practice of impeachment Divided into three parts the history of impeachment and how it developed in British history is the focus of part one The inclusion of Ireland reflects the constitutional status of impeachment the legacy of union with Great Britain and how impeachment can still serve as a deterrent Part two examines the adoption of impeachment within the US Constitution and its use in practice The third and final part discusses impeachment in the twenty first century

The book will be an essential resource for students academics and researchers in law political science and history

Encyclopedia of the American Presidency, Fourth Edition Michael Genovese, 2021-04-01 Praise for the first edition
An altogether excellent introduction to the study of the presidency of the United States Library Journal entries are well written an excellent addition American Reference Books Annual an excellent resource recommended Booklist Highly recommended Choice The most up to date reference of its kind Encyclopedia of the American Presidency Fourth Edition is the definitive guide to the role of the president from the American Revolution through the present day Offering a complete account of the presidency in U S history this A to Z encyclopedia will make a great first stop for students and general readers looking for information on the executive branch of the American government Its comprehensive scope spans the relationship between the executive and the other branches of government court cases elections political opponents scandals and more A valuable resource that provides concise information Encyclopedia of the American Presidency Fourth Edition contains more than 750 entries Entries include Bully pulpit Commander in chief Economic policy Executive privilege Kamala Harris Impeachment Iraq War Thomas Jefferson Middle East Military tribunals New Deal Oval Office Franklin D Roosevelt Situation room Donald Trump Veto power War powers Watergate White House and more *Presidential Accountability in Wartime* Stuart Streichler, 2023-11-16 The American presidency has long tested the capacity of the system of checks and balances to constrain executive power especially in times of war While scholars have examined presidents starting military conflicts without congressional authorization or infringing on civil liberties in the name of national security Stuart Streichler focuses on the conduct of hostilities Using the treatment of war on terror detainees under President George W Bush as a case study he integrates international humanitarian law into a constitutional analysis of the repercussions of presidential war powers for human rights around the world Putting President Bush s actions in a wider context Presidential Accountability in Wartime begins with a historical survey of the laws of war with particular emphasis on the 1949 Geneva Conventions and the Nuremberg Tribunal Streichler then reconstructs the decision making process that led to the president s approval of interrogation methods that violated Geneva s mandate to treat wartime captives humanely While taking note of various accountability options from within the executive branch to the International Criminal Court the book illustrates the challenge in holding presidents personally responsible for violating the laws of war through an in depth analysis of the actions taken by Congress the Supreme Court and the public in response In doing so this book not only raises questions about whether international humanitarian law can moderate wartime presidential behavior but also about the character of the presidency and the American constitutional system of government *Impeachment Trial Committee on the Articles Against Judge G. Thomas Porteous, Jr. part A-C (3 v.)* G. Thomas Porteous (Jr.), United States. Congress. Senate. Impeachment Trial Committee, 2010 **Untrodden Ground** Harold H. Bruff, 2016-11-23 Examines constitutional innovations related to executive power made by each of the nation s forty four presidents
