The New Power Base

Selling Jim Holden, Ryan Kubacki, 2012-04-18 An updated and revised version of the business classic Power Base Selling

Power Base Selling originally published in 1990 left readers with an understanding of and language for gaining political advantage within accounts Now famous among sellers the concept of aligning with powerful customer individuals or Foxes is taken to a new level The New Power Base Selling offers an updated and more in depth edition of the original classic with an empirically based breakthrough to significantly increasing sales performance It explains how competitive selling is as much a matter of politics customer value and strategy as it is a management science Based on data from one of the most comprehensive sales surveys in the sales training industry along with over 50 000 deal reviews The New Power Base Selling will help salespeople quickly outfox the competition impress customers with unexpected value and achieve new levels of professional success Create Demand as well as competitively Service Demand Quickly leverage Situational Power Bases to

drive up win rates Provide customers with value that advances their critical business initiatives Effectively use LinkedIn Facebook Twitter and other social tools in a sales campaign Increase customer satisfaction and competitive differentiation See measurable gains and exceed quota when you leverage customer politics value and competitive strategy **The Joy of Self-Publishing** Mike Buchanan,2013-02 Self publishing can be more rewarding than being published creatively financially and in other respects if you go about it the right way You could well be confused as many self publishers are by the multiplicity of options available to you The good news is that you can now make your books visible and available to book buyers around the world at minimal cost An ebook PDF edition of this book was made available worldwide at no cost an edition for the Kindle iPad Nook Sony eReader and other e readers made available for GBP95 00 a paperback edition made available worldwide for GBP42 00 As a self publisher what are your options for new books Should you choose an offset lithography print run a digital print run or maybe print on demand POD Hardback or paperback or other formats Possibly an ebook too And crucially how will you get your books distributed cost effectively to buyers around the world This book will take you through the options and explain their relative advantages and disadvantages It provides guidance on selecting book topics with strong sales potential writing distinctively obtaining a professional critique of your work writing content rich non fiction writing in a number of genres choosing between hardback and paperback and other formats choosing the optimal printing method book content formatting book specifications colour plate section options distribution print on demand POD order fulfilment dealing with Amazon Lightning Source Nielsen and Bowker printers copy editors and proofreaders typesetters cover designers photographers pricing and marketing your books and a whole lot more besides The book includes a sample chapter from the author s international bestseller Two Men in a Car a businessman a chauffeur and their holidays in France along with the plate section from the book Mike Buchanan a British writer and former business consultant is the author of eight books since 2008 He s been published internationally by a leading publisher in English and Chinese editions and he s self published He much prefers self publishing for a variety of reasons In January 2010 at the age of 52 he took early retirement and now writes and self publishes full time He developed the model of commercial self publishing outlined in this book The model has been designed to help self publishers enjoy their writing more increase their output of strong titles and maximise their profits *Sale-catalogues of Second-hand Books on Sale by Henry Sotheran & Co* Sotheran, Henry and Co,1871 Popular Mechanics ,1944-09 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle Arab and Muslim Science Fiction Hosam A. Ibrahim Elzembely,Emad El-Din Aysha,2022-04-04 How is science fiction from the Arab and Muslim world different than mainstream science fiction from the West What distinctive and original contributions can it make Why is it so often neglected in critical considerations of the genre While other books have explored these questions all have

been from foreign academic voices Instead this book examines the nature genesis and history of Arabic and Muslim science fiction as well as the challenges faced by its authors in the authors own words These authors share their stories and struggles with censors recalcitrant publishers critics the book market and the literary establishment Their uphill efforts with critical contributions from academics translators and literary activists will enlighten the sci fi enthusiast and fill a gap in the history of science fiction Topics covered range from culture shock to conflicts between tradition and modernity proactive roles for female heroines blind imitation of storytelling techniques and language games
