The Russians Dangerous Game Friendship Series English Edition:

The Russian's Runaway Bride Elizabeth Lennox, 2015-11-20 She'd left him. And on their wedding day no less. Stefan Kozlov couldn't believe that the woman he'd married had disappeared only hours after exchanging their vows. After months of happy courting interspersed with cold showers as he forced them to wait for their wedding night, Livia had left without explanation. Stefan was angry and confused but still determined to reunite and consummate their relationship. Even if Livia wouldn't have him, her mother's medical emergency still made it critical that he find her. Livia had thought everything was perfect. The perfect man and the perfect life. So what had gone wrong? Why hadn't she seen the clues? Surely there had been something that could have warned her of Stefan's deep dark secret. Unfortunately, even her knowledge of his true nature couldn't stop her from falling under his spell. There had always been a powerful chemistry between the two of them. Now she was truly in a bind, caught between trying to help and protect her injured mother while living with a husband she now felt she barely knew.

The Russian's Tender Lover Elizabeth Lennox, 2011-11-13 Darcy DiAngelo had two secret lives: one in the public eye courting the paparazzi and dancing the night away with gorgeous men all over the globe; the other, hiding from her Mafia boss father who would try and marry her off to the highest bidder. Neither was the true Darcy, and she longed to have the freedom to be herself. Billionaire businessman Sergei Anchova would not endure any insult to his family reputation. When his sister's fiancé disappears, claiming to be in love with the party girl Darcy DiAngelo, the issue must be resolved. Bringing the glamor girl to a private island while he searched for the missing fiancé was not only expedient but perhaps he could teach the woman how to be a productive member of society during her stay. But Darcy taught Sergei the meaning of the words love and passion. She also showed him he shouldn't believe everything he read in the tabloids and that the world really could be a bit less mercenary if he chose to look for the good in people.

The Tycoon's Captured Heart Elizabeth Lennox, 2016-01-15 For years Grayson had watched Scarlett grow up. At first there had just been a connection, something that drew the two of them together. But as the small girl grew into a beautiful woman, he knew that over the years he'd fallen in love with her. And then she'd asked him to teach her how to attract a man. If any of his competitors knew what a soft spot he had for this woman, he'd have to destroy them. But there it was: He could crush his competition without breaking a sweat, but he couldn't deny Scarlett when she asked him for help. Scarlett had loved Grayson since she was a young teenager, and the feeling had only grown stronger as the years had passed. But every time she'd decided that she was going to tell him about her feelings, the man had yet another paramour on his arm. She hated him and loved him and had no idea how to break out of this painful cycle. How could she convince him that she could love him better than all of those silly women? Or failing that, how could she move on with her life? This book includes additional free bonus content: a new novella about Sierra's brother Daniel from *The Duke's Blackmailed Bride*, the introduction stories for the new Samara Royal Family Series, and an excerpt of the first book in the new series *Pregnant with the Sheikh's Baby*.

History of Russian Literary Theory and Criticism Evgeny Dobrenko, Galin Tihanov, 2011-11-27 This edited volume assembles the work of leading international scholars in a comprehensive history of Russian literary theory and criticism from 1917 to the post-Soviet age. By examining the dynamics of literary criticism and theory in three arenas: political, intellectual, and institutional, the authors capture the progression and structure of Russian literary criticism and its changing function and discourse. The chapters follow early movements such as formalism, the Bakhtin Circle, Proletkult, futurism, the fellow travelers, and the Russian Association of Proletarian Writers. By the cultural revolution of 1928, literary criticism became a mechanism of Soviet policies synchronous with official ideology. The chapters follow theory and criticism into the 1930s with examinations of the Union of Soviet Writers, semantic paleontology, and socialist realism under Stalin. A more humanized literary criticism appeared during the ravaging years of World War II, only to be supplanted by a return to the party line. Soviet heroism and anti-Semitism in the late Stalinist period. During Khrushchev's Thaw, there was a remarkable rise in liberal literature and criticism that was later refuted in the nationalist movement of the long 1970s. The same decade saw, on the other hand, the rise to prominence of semiotics and structuralism. Postmodernism and a strong revival of academic literary studies have shared the stage since the start of the post-Soviet era. For the first time anywhere, this collection analyzes all of the important theorists and major critical movements during a tumultuous ideological period in Russian history, including developments in emigre literary theory and criticism. *Indian Defence Review*, **The Greek's Baby Bargain** Elizabeth Lennox, 2009-10-20 Emma is desperate.
