**Grey** E. L. James, 2015 See the world of Fifty Shades of Grey anew through the eyes of Christian Grey In Christian s own words and through his thoughts reflections and dreams E L James offers a fresh perspective on the love story that has enthralled millions of readers around the world Christian Grey exercises control in all things his world is neat disciplined and utterly empty until the day that Anastasia Steele falls into his office in a tangle of shapely limbs and tumbling brown hair He tries to forget her but instead is swept up in a storm of emotion he cannot comprehend and cannot resist Unlike any woman

he has known before shy unworldly Ana seems to see right through him past the business prodigy and the penthouse lifestyle to Christian's cold wounded heart Will being with Ana dispel the horrors of his childhood that haunt Christian every night Or will his dark sexual desires his compulsion to control and the self loathing that fills his soul drive this girl away and destroy the fragile hope she offers him This book is intended for mature audiences **Get It On** J. Kenner, 2018-03-13 *Fifty Shades of Domination - My True Story* Mistress Miranda, 2014-02-03 One girl's journey from a poor but conventional family background to life as Britain's foremost dominatrix Here is the intelligent funny story of how one Mistress made her way to the top a warm and moving true story of triumph over family intrigue and tragedy At the age of eight Miranda discovered that her beloved mummy and daddy were in fact her grandparents and her real mother was the woman she had always known as her elder sister Miranda writes honestly about her struggle to accept the trauma of these new family relationships She details how she became a teenage wild child experimenting with sexual tastes that from the start involved dominating her boyfriend Unable to cope with this bright but willful teenager her elderly grandparents were forced to tell her to leave and at just 16 Miranda was homeless and penniless To fund her studies she first became a teenage receptionist for working girls but soon realized that her own sexual tastes were well suited to satisfy a vast demand from submissive men Here Miranda relays the tales of the men women and couples who have visited her extensive dungeon chambers over the past two decades for fetish fun This is not a book about sex for money but about work that is a mixture of fetish fashion complex psychological role play bondage and domination **Love, Inc.** Laurie Essig, 2019-02-05 The notion of happily ever after has been ingrained in many of us since childhood meet someone date have the big white wedding and enjoy your well deserved future But why do we buy into this idea Is love really all we need Author Laurie Essig invites us to flip this concept of romance on its head and see it for what it really is an ideology that we desperately cling to as a way to cope with the fact that we believe we cannot control or affect the societal economic and political structures around us From climate change to nuclear war white nationalism to the worship of wealth and conspicuous consumption as the future becomes seemingly less secure Americans turn away from the public sphere and find shelter in the private Essig argues that when we do this we allow romance to blind us to the real work that needs to be done building global movements that inspire a change in government policies to address economic and social inequality **Darker** E L James, 2017-12-19 See the world of *Fifty Shades of Grey* anew through the eyes of Christian Grey a fresh perspective on the love story that has enthralled millions of readers around the world Look for E L James' passionate new love story *The Mister* available now Their scorching sensual affair ended in heartbreak and recrimination but Christian Grey cannot get Anastasia Steele out of his mind or his blood Determined to win her back he tries to suppress his darkest desires and his need for complete control and to love Ana on her own terms But the horrors of his childhood still haunt him and Ana's scheming boss Jack Hyde clearly wants her for himself Can Christian's confidant and therapist Dr Flynn help him face down his demons Or will the possessiveness of Elena his

seducer and the deranged devotion of Leila his former submissive drag Christian down into the past And if Christian does win Ana back can a man so dark and damaged ever hope to keep her      *iPad All-in-One For Dummies* Nancy C. Muir,2015-01-05

### An Intergenerational Feminist Media Studies Jessalynn Keller,Jo Littler,Alison Winch,2019-10-23

Feminism and generation are live and ideologically freighted issues that are subject to a substantial amount of media engagement The figure of the millennial and the baby boomer for example regularly circulate in mainstream media often accompanied by hyperbolic and vitriolic discourses and effects of intergenerational feminist conflict In addition theories of feminist generation and waves have been and continue to be extensively critiqued within feminist theory Given the compelling criticisms directed at these categories

we ask why bother examining and foregrounding issues of generation intergeneration and transgeneration in feminist media studies While remaining skeptical of linearity and familial metaphors and of repeating reductive heteronormative and racist versions of feminist movements we believe that the concept of generation does have critical purchase for feminist media scholars Indeed precisely because of the problematic ways in which it is used and its prevalence as a volatile yet only too palpable organizing category generation is in need of continual critical analysis and is an important tool to be used with care and nuance when examining the multiple routes through which power functions in order to marginalize reward and oppress This book covers a range of media forms film games digital media television print media and practices of media production intervention and representation The contributors explore how figures at particular stages of life particularly the girl and the aging woman are constructed relationally and circulate within media with particular attention to sexuality The book emphasizes exploring the ways in which the category of generation is mobilized in order to gloss sexism racism ageism class oppression and the effects of neoliberalism The chapters in this book were originally published as a special issue of *Feminist Media Studies*
