Porter,Alan E. Kurschner,2023-06-02 This volume is the most extensive of its kind as a major set of collected essays from a wide range of scholars on the question of the promises of God to Israel These essays put forward the position that unconditional promises were given to Israel which have not been fulfilled in the church or any other entity At the consummation there will be a continuing role for the Jews realized through their national and territorial hope of a restored redeemed Israel This volume contains an eclectic group of contributors who have reached this position from various approaches to interpretation The essays exhibit both positive argumentation and engagement with supersessionist literature **Dispensationalism, Israel and the Church** Craig A. Blaising,Darrell L. Bock,2010-08-10 The relationship between Israel and the church is a crucial reference point in theology especially in distinguishing between dispensational and nondispensational ways of thinking The thesis of this book is that Israel and the church are distinct theological institutions that have arisen in the historical progress of divine revelation But they are also related as successive phases of a redemptive program that is historically progressive and eschatologically converging The approach to these issues here is neither polemical nor apologetic rather it anticipates a convergence among evangelical scholars in the recognition of both continuity and discontinuity in the Israel church relationship This book has three purposes To offer a contemporary dispensational treatment of that relationship through an exegetical examination of key texts with a focus on theological concerns To foster genuine dialogue with nondispensational thinkers regarding major biblical themes tied to the plan of God To identify the changes in dispensational thought that have developed since the publication of Charles Ryrie s book *Dispensationalism Today* in 1965 **Finishing History Well , The Popular Encyclopedia of Apologetics** Ed Hindson,Ergun Caner,2008-05-01 The perfect combination of scholarship and accessible presentation for Christians who desire to know how to better understand and defend their faith Bestselling authors Ed Hindson and Ergun Caner have brought together a who s who of apologetic experts including Lee Strobel Norm Geisler Josh McDowell and John Ankerberg to produce a resource that s both easy to understand and comprehensive in scope Every entry provides a biblical perspective and mentions the key essentials that believers need to know about a wide variety of apologetic concerns including issues concerning God Christ and the Bible scientific and historical controversies ethical matters genetic engineering homosexuality ecology feminism a Christian response to world religions and cults a Christian response to the

major worldviews and philosophies of our day Included with each entry are practical applications for approaching or defending the issue at hand along with recommendations for additional reading on the subject The Heart of Wisdom Teaching Approach Robin Sampson,2005-04 Details the Bible based homeschool teaching approach for parents and discusses Christian education learning styles unit studies bible study and more **Does God Play Favorites?** Jim Gerrish,2000

Coming Out of Egypt K.C. Stricker,2008-03-15 Coming Out of Egypt is an exodus out of idolatry the idolatry of ancient Egypt and the idolatry that permeates the church today Its goal is to make the exodus come alive for the reader not to just read about the exodus but to experience the exodus not to just read about the Passover but to experience the Passover to catapult the reader back through time like a time traveler entering a time portal The goal of Coming Out of Egypt is to experience redemption not just to read about redemption to experience redemption from Pharaoh at the Reed Sea and witness Yeshua s resurrection The Incomplete Church Sid Roth,2007-07-28 Christianity today is very different from the original To experience the original the miracles healings power and intimacy with God we have to examine our Jewish roots For 2 000 years there has been a separation between Judaism and Christianity resulting in a lack of miracle power and intimacy with God The Incomplete Church explores what was stolen by the deceiver in both religions and reveals what will happen when the truth in both converges Future Israel Barry E. Horner,2007 Future Israel Why Christian Anti Judaism Must Be Challenged is volume three in the NEW AMERICAN COMMENTARY STUDIES IN BIBLE THEOLOGY NACSBT series for pastors advanced Bible students and other deeply committed laypersons Author Barry E Horner writes to persuade readers concerning the divine validity of the Jew today based on Romans 11 28 as well as the nation of Israel and the land of Palestine in the midst of this much debated issue within Christendom at various levels He examines the Bible s consistent pro Judaic direction namely a Judeo centric eschatology that is a unifying feature throughout Scripture Not sensationalist like many other writings on this constantly debated topic Future Israel is instead notably exegetical and theological in its argumentation Users will find this an excellent extension of the long respected NEW AMERICAN COMMENTARY Thy Kingdom Come Felix Halpern,2023-11-07 Unlock the Prophetic Destiny for the End Time Church Israel and the Coming Kingdom What is God s end time plan for Jews and Gentiles and how are their destinies linked What is the ultimate mission of the church How does Jewish and Christian history influence our future Drawing from historical research and fresh prophetic revelation Rabbi Felix Halpern unveils God s longstanding plan for Jews and Christians alike so you can partner with His kingdom blueprint These topics have been the center of debate for centuries However in this thought provoking message you will find fresh insight surrounding the end times Full of life changing biblical truths inside you will find answers to What is the source of this age old anti Semitism Why has satan made the Jews the target of expulsions from nations Why have the Jewish people been mocked for their religious zeal and difference Why have they often become scapegoats for the economic problems of nations And more Don t stumble through these last days As Jesus s return draws closer you need to know what

your destiny is in God's final showdown against the forces of evil *American Horizon*, 1992
