The Wolf Within Purgatory 1 By Cynthia Eden:

The Wolf Within Cynthia Eden, 2013-12-17 FBI Special Agent Duncan McGuire spends his days and his nights tracking real life monsters. Most humans aren't aware of the vampires and werewolves that walk among them. They don't realize the danger that they face but Duncan knows about the horror that waits in the darkness. He hunts the monsters and he protects the innocent. Duncan just never expects to become a monster. But after a brutal werewolf attack, Duncan begins to change and soon he will be one of the very beasts that he has hunted. Dr. Holly Young is supposed to help Duncan during his transition. It's her job to keep him sane so that Duncan can continue working with the FBI's Para Unit. But as Duncan's beast grows stronger, the passion that she and Duncan have held carefully in check pushes to the surface. The desire that is raging between them could be a very dangerous thing because Holly isn't exactly human, not any longer. As the monsters circle in, determined to take out all of the agents working at the Para Unit, Holly and Duncan will have to use their own supernatural strengths in order to survive. But as they give up more of their humanity and embrace the beasts within them, both realize that the passion between them isn't safe, it isn't controllable, and their dark need may just be an obsession that could destroy them both.

Wicked and Wild Cynthia Eden, 2018-04-24 She was wicked. Everyone knew that Valerie Storm was the baddest bit of a witch on the block. She might look like Snow White but she had the heart of a wicked queen. She turned her enemies to ash, she danced on their graves, and she had to be stopped. But who could stand up to someone so wicked? He was wild. Griffin Bastien was the most powerful shifter to ever walk the earth. His claws had sent plenty of his foes to the grave. Bloodlust burned fast and hard within him, and when his beast took over, there was no stopping him. Then Wicked met Wild. Neither of them believed in love. And neither of them ever expected the firestorm that ignited when they kissed. But sometimes, some people can't be controlled. The need that Valerie and Griffin feel for each other, the white-hot lust, will change their world. Even hell doesn't burn this hot. Too bad that Griffin has been keeping secrets. Too bad that he is the original assassin sent to destroy Valerie. Because when she finds out the truth, there will be no greater fury than a wicked witch betrayed. Even the biggest, baddest beast might discover that he's absolutely lost when a witch casts her spell, and he will be willing to do anything to reclaim the mate he never expected. Buckle up, it's gonna be a wild ride. **Author's Note: WICKED AND WILD** is a complete stand-alone story that is set in the world of my Bad Things paranormal books. Expect a sexy alpha, a very fierce heroine, and hot times ahead.

When you manage to escape from a twisted killer who happened to be your boyfriend, you grab life by both hands and you hold on tight. You run like mad from danger, you reinvent yourself over and over, and you don't look back. Ever. Unless, of course, the past comes barreling at you in the form of one truly massive and strong U.S. marshal. Titan is big, dangerous, and determined to bring Cassidy back home. He also has the most incredible eyes she's ever seen and a voice that makes her whole body ache with longing. Problematic. Very. Because the last time she fell hard for a sexy stranger, he wound up being a monster. Home is where the nightmare waits. Scarred and twisted by his own past, Titan never claims to be anyone's hero. He barely talks, and charming is the last word anyone would ever associate with him. The bubbly, beautiful Cassidy is his complete opposite, and the scorching primal attraction he feels for her catches him completely off guard as they embark on what has to be the road trip from hell. Unfortunately, Titan isn't the only one who has found Cassidy. She's been running non-stop, but she just can't seem to run far enough or fast enough to evade the man who wants her dead. When Titan saves her life and promises protection, she agrees to a partnership with him. He'll protect her, and she'll help him draw out the killer. No biggie. Not like she's utterly and completely terrified. But eventually, you have to stop running and start fighting. This isn't just another hunt for Titan. Everything has changed in his world because of Cassidy. Losing her can't happen, but putting the man in the ground who has been terrorizing her? Absolutely on Titan's to-do list. New mission: Protect Cassidy and catch a killer. And when the case is closed, maybe Cassidy will want to start a new life, once again, only this time with Titan at her side.

U.S. Marshal Titan Everett is on the hunt. On the outside, Titan looks scary as the devil, and he's well aware that he often sends small children running. But Cassidy isn't afraid of him. Beautiful, bold, and with a spark for life that draws him close, she is unlike anyone he's ever met before. She needs help, and she's going to get it. Because from the first moment he sees her, Titan knows he will move heaven and fight hell to keep her safe.

Cynthia Eden, 2019-10-15

What happens when a monster hunter falls for his prey? Harrison Key has one job: hunt and destroy monsters. He's taken out vampires, shifters, demons; it's all in a night's work for him. He protects the innocent and destroys the wicked. Case closed. The job doesn't pay much, and the benefits are literally hell, but a hunter is born to the work. Gifted with

super strength and speed Harrison was created to fight monsters There is nothing else for him in this world Then he meets her She looks like innocence but makes him think of the hottest sin When Harrison first meets Elise Aine she s surrounded by vamps who are only too eager to take a bite Harrison stakes the vamps and intends to walk away from Elise but she has other plans She says that she s under supernatural attack Elise desperately needs his protection and she ll pay any price One look into her dark and gorgeous eyes and Harrison can t walk away He doesn t want to walk away He wants her What Harrison doesn t know could just kill him Elise isn t human Not by a long shot And she s got big plans for Harrison Sure the guy may think he s a hunter he may believe that his job is to rid the world of the wicked but he s dead wrong And with her help Harrison may just turn out to be the wickedest one of them all Because he s not really a hunter He s something far far more interesting And hot Smokin in fact He just needs to let his wild side out to play As the queen of the fairies Elise was born to trick and deceive and with way too many enemies closing in she needs the most powerful protector imaginable at her side Harrison is her destined mate if he ll just stop fighting monsters long enough to see that deep inside he is a beast A beast like no other One that can blast fire and soar into the skies A beast who can only be bound and tamed by love Betrayal burns deep and cuts hard Can the queen of the fairies show a hunter that even monsters can love Or when he finds out the truth about her will rage be all that Harrison knows Either way things are about to get red hot Watch out for the flames and smoke
