Delderfield, 2004 **R F Delderfield's To Serve Them All My Days** R F. Delderfield, 2004 *To serve them all my days*, 2008 John Duttine leads a star cast in this classic BBC adaptation of the novel by R F Delderfield After returning from the trenches of WWI a miner's son takes up a position as schoolmaster at an English Public School *Still on Record - The Return of the Archivist* Berwick Coates, 2018-06-22 After the runaway success of *Nearly Off the Record* the Archives of an Archivist and encouraged by tweets from President Trump a government ban in North Korea and its short listing for the National Obscurity Prize Berwick Coates has consented to bow to popular demand and produce this collection of yet more gems from the history of West Buckland School where he works as the School Archivist It is hoped that the subtitle the Return of the Archivist will add a welcome touch of swashbuckle and Errol Flynn to its appeal It is easier to understand than its predecessor each entry rarely goes beyond two pages or three syllables and there are yet more illustrations It is admirably constructed to be easy to recognise it looks just like the other one easy to dip into and even easier to hurl aside when the interest flags **Gin and the English** Paul Jennings, 2024-08-21 This book charts the history of gin from its arrival in England in the sixteenth century to the present day In doing so it uses a range of perspectives economic social cultural and political to give a rounded picture of how the spirit developed in the way it did over some 400 years It looks at how gin's popularity has ebbed and flowed over the centuries among different groups in society It is therefore concerned with the drinkers of gin and why they chose it and at the meanings which they attached to its consumption Gin was particularly popular with women and the spirit is often associated with them in phrases like Mother's Ruin This also alerts us to the fact that gin has often had a bad press never more so than in the infamous Gin Craze of the first half of the eighteenth century so vividly depicted in Hogarth's *Gin Lane* The book attempts to tell something of the real history of gin beneath the frequent condemnation It ends with the resurgence of gin's popularity with the emergence of so called designer gins in the twenty first century **Peace at Last** Guy Cuthbertson, 2018-11-06 A vivid intimate hour by hour account of Armistice Day 1918 including photographs A pleasure to read full of fascinating tidbits *The Wall Street Journal* This is the first book to focus on the day the armistice was signed between the Allies and Germany ending World War I In this rich portrait of Armistice Day which ranges from midnight to midnight Guy Cuthbertson brings together news reports photos literature memoirs and letters to show how the people on the street as well as soldiers and prominent figures like D H Lawrence and Lloyd George experienced a strange singular day of

Pitofsky, 2014-08-08 When boarding school fiction became popular in the 19th century it tended to be warm and nostalgic filled with sporting events practical jokes and schemes to get even with campus bullies All of that changed in the era discussed in this book Holden

Caulfield the narrator of J D Salinger's *The Catcher in the Rye* drops out of one prep school and is expelled from two others. The conflicts between students in John Knowles's *Devon School* novels become so heated that two young men die. And in the controversial novel *Good Times Bad Times* James Kirkwood portrays the headmaster of a private academy as closeted deeply neurotic and infatuated with an 18 year old who has recently enrolled at his school. In spite of their unsettling images of anguish and cruelty these and other American boarding school novels have attracted large audiences and influenced countless school narratives in fiction drama television and film. Many books have been written about British school stories. This is the first study that explores the history of boarding school fiction in the United States. *Andrew Davies* Sarah Cardwell, 2005-07-22. Andrew Davies is the creator of the British TV programs *Pride and Prejudice*, *Othello* and *The Way We Live Now*. Although best known for his adaptations of the work of writers such as Jane Austen and George Eliot, he has written numerous original drama series, single plays, films, stage plays and books. This volume offers a critical appraisal of Davies's work and assesses his contribution to British television.

Echoes From The Holocaust Alan Rosenberg, Gerald Eugene Myers, 1988. The murder of six million Jewish men, women and children during World War II was an act of such barbarity as to constitute one of the central events of our time, yet a list of the major concerns of professional philosophers since 1945 would exclude the Holocaust. This collection of twenty-three essays, most of which were written expressly for this volume, is the first book to focus comprehensively on the profound issues and philosophical significance of the Holocaust. The essays, written for general as well as professional readers, convey an extraordinary range of factual information and philosophical reflection in seeking to identify the haunting meanings of the Holocaust. Among the questions addressed are: How should philosophy approach the Holocaust? What part did the philosophical climate play in allowing Hitlerism its temporary triumph? What is the philosophical climate today and what are its probable cultural effects? Can philosophy help our culture to become a bulwark against future agents of evil? The multiple dimensions of the Holocaust—historical, sociological, psychological, religious, moral and literary—are collected here for concentrated philosophical interpretations.
