An A Z Of Hellraisers A Comprehensive Compendium Of Outrageous Insobriety:

An A-Z of Hellraisers Robert Sellers, 2010-05-20 An A Z of Hellraisers is the last word on inebriated misbehaviour and the miscreant mob in this whopper of a book constitute the most amazing grouping to see print from Alexander the Great whose drunken revelries once ended with the destruction of an entire city to W C Fields who passed critical judgement on a brass band by urinating over them from a hotel balcony Dylan Thomas who drove a sports car onto Charlie Chaplin's private tennis court to Led Zeppelin drummer John Bonham suffocating on his own vomit after consuming forty measures of vodka what a night out that was This hilarious volume makes for an ideal bedside companion or pub reading fodder as it scrutinises and salutes these glorious individuals from Winston Churchill to Keith Moon George Best to Ernest Hemingway Wild Bill Hickok to Sam Peckinpah Ozzy Osbourne to Errol Flynn Just thank God we didn't have to live next door to any of them Bon: The Last Highway Jesse Fink, 2017-11-01 THE CONTROVERSIAL INTERNATIONAL BESTSELLER The literary equivalent of a road movie IRISH TIMES A PLANET ROCK Book of the Year When it was first published in 2017 Jesse Fink's masterful biography of Bon Scott became an international sensation it made the cover of Classic Rock magazine threats were made against the author and there was talk among some AC DC fans of boycotts and book burnings So why the uproar The legend of the man known around the world as Bon grows with each passing year In death AC DC's trailblazing frontman has become a rock icon But so much of his story is myth Bon The Last Highway tells the unvarnished truth The 1977-80 period forged the legend of AC DC There wasn't a harder working band on the road in America But as Fink reveals in a journey that takes the reader from Austin to Miami to London the relentless AC DC machine was threatening to fall apart With unprecedented access to Bon's lovers newly unearthed documents and a trove of never before seen photos this updated edition contains a new introduction and more revelations about the singer's death which should dispel once and for all the idea that Scott succumbed to acute alcohol poisoning on 19 February 1980 *What Fresh Lunacy is This?* Robert Sellers, 2013-06-13 Oliver Reed may not have been Britain's biggest film star for a period in the early 70s he came within a hairsbreadth of replacing Sean Connery as James Bond but he is an august member of that small band of people like George Best and Eric Morecambe who transcended their chosen medium became too big for it even and grew into cultural icons For the first time Reed's close family has agreed to collaborate on a project about the man himself The result is a fascinating new insight into a man seen by many as merely a brawling boozing hellraiser And yet he was so much more than this For behind that image which all too often he played up to in public was a vastly complex individual a man of deep passions and loyalty but also deep rooted vulnerability and insecurities Why was a proud patriotic intelligent successful and erudite man so obsessed about proving himself to others time and time again Although the Reed myth is of Homeric proportions he remains a national treasure and somewhat peculiar icon Praise for other books by Robert Sellers *Hellraisers The Life and Inebriated Times of Richard Burton* Richard Harris Peter O Toole and Oliver Reed So wonderfully captures the wanton belligerence of both binging and stardom

you almost feel the guys themselves are telling the tales GQ Vic Armstrong The True Adventures of the World's Greatest Stuntman This is the best and most original behind the scenes book I have read in years gripping and revealing Roger Lewis Daily Mail Don't Let the Bastards Grind You Down a rollicking good read Sellers has done well to capture a vivid snapshot of this exciting time Lynn Barber Sunday Times

Focus On: 100 Most Popular American Impressionists (Entertainers)

Wikipedia contributors, **Peter O'Toole** Robert Sellers, 2015-09-10 Peter O Toole was supremely talented a unique leading man and one of the most charismatic and unpredictable actors of his generation Described by Richard Burton as the most original actor to come out of Britain since the war O Toole regularly seemed to veer towards self destruction With the help of exclusive interviews with colleagues and close friends Peter O Toole The Definitive Biography paints the first complete picture of this much loved man and reveals what drove him to extremes why he drank to excess and hated authority But it also describes a man who was fiercely intelligent with a great sense of humour and huge energy Always insightful at times funny at times deeply moving this is a fitting tribute to an iconic actor who made a monumental contribution to theatre and cinema
