Americans who served in Korean have never forgotten what it was about and that it was much more than just a Police Action. They understand that it was an all out war and one of the bloodiest in American history. It involved over 20 countries of the United Nations that joined with the United States to save the South Koreans from annihilation and the tyranny of the communist countries such as Russia and North Korea. On July 27 1953 an armistice was signed and today South Korea remains as a free nation and one of the strongest and wealthiest countries in Asia. This book is to help Americans understand what the war was all about and describe one soldier's experience and opinion of the conflict.
