*Playing God* Brown Ogwuma, 2010-06-08 As long as the human race battles with an internal need to judge and discriminate against others chances and opportunities will continue to favor and disfavor individuals and groups differently *Playing God* shares a discourse for those with an inquisitive mind and those struggling to reconcile the puzzles in life with such relatable topics as nature religion morality global politics power control greed and many others Brown Ogwuma a clinical social worker has worked in the human services field for twenty years and appreciates philosophy and original thinking He shares his practical glimpse at life that he hopes will encourage others to take a realistic approach to the way they live their own lives In his reflections that stem from the complexities and convoluted nature of life Ogwuma discusses concrete and actual situations both his own as well as those of other people in order to explore and advocate ideas and principles beyond the ordinary In its no nonsense study of the authenticity of life *Playing God* lets others know that seeing life in an unconventional way can free us to structure our lives so that the meaningful takes precedence over what others expect of us **Hot and Cold: A College Hockey Romance** Tara September, 2024-02-06 In the game of love who will melt first LUKE No one seems to comprehend the pressures of playing for an NCAA college hockey team and being in the pre med program With the NHL draft and graduation looming I can t handle any distractions in my life Discipline and focus are my two best friends The absolute last thing I need my senior year is to be roped into some campus social media project with a sexy junior who changes majors more times than she does clothes Yet here I am posing for a calendar I had no intention of participating in attending parties and making out among other things in public And yeah if I m smiling the whole way it must be because I ve finally cracked That s the only explanation why I ve let Jax sashay her way into my every thought Puck me My world has been irrevocably turned upside down once already and I won t let it happen again even if it means becoming the Ice Man that everyone calls me JAX It might have taken me three years to decide on a major but I ve got it all figured out now and I m going to win a coveted communications internship too I just need the grumpy hockey captain to relax a bit and help me help his team So what if I know diddly about the game and that he won t even let me past the front door I ve got this And

if I m shivering at his touch it s because he s so cold not because he makes me hot Nope despite the rumors circulating on campus we re only spending every waking minute together because of my assignment that s all Although maybe we re dating I don t know but I plan to find out Because it s starting to feel real especially his kisses Yup I m totally pucked
