Common Core Houghton Mifflin Pacing Guide:

Getting Started with Rigorous Curriculum Design Larry Ainsworth, 2013 School districts are now successfully implementing the Rigorous Curriculum Design process to redesign their curricula to fulfill the promise of the Common Core and prepare students for success on the coming national assessments Each chapter of Getting Started With Rigorous Curriculum Design will provide educators with collective wisdom insights and ideas to enrich and expand understandings they may not have yet come to on their own

Empowering Teachers for Equitable and Sustainable Education Maria Teresa Tatto, 2024-04-16 This groundbreaking book uses a comprehensive study of a novel Master of Education program to showcase how teachers can be engaged in authoritative equity based research using comparative education theory inquiry based pedagogy and the UNESCO SDGs as powerful frameworks By developing agency to advance culturally sustaining and humanizing practices it demonstrates how teachers can promote equity in their classrooms and communities The central premise of the program is that teachers must become comparative global and local action researchers to have agency in their practice and to become effective advocates for the cultural and learning needs of their students especially those in disadvantaged contexts or learning at the bottom of the pyramid By learning comparative framing and social science methods reviewing the literature to select verifiable educational research and developing and implementing a plan for action research this book offers new ideas for how teachers can effectively respond to recent UNESCO calls to reimagine and create promising futures locally By providing formative and summative evidence of culturally and socially transformative learning and showcasing how teacher educators can engage teachers in authoritative justice inquiry based research this book will appeal to scholars faculty and researchers of comparative education and teacher education and development

Imaginative Teaching Through Creative Writing Amy Ash, Michael Dean Clark, Chris Drew, 2021-03-25 Growing out of recent pedagogical developments in creative writing studies and perceived barriers to teaching the subject in secondary education schools this book creates conversations between secondary and post secondary teachers aimed at introducing and improving creative writing instruction in teaching curricula for young people Challenging assumptions and lore regarding the teaching of creative writing this book examines new and engaging techniques for infusing creative writing into all types of language arts instruction offering inclusive and pedagogically sound alternatives that consider the needs of a diverse range of students With careful attention given to creative writing within current standards based educational systems Imaginative Teaching Through Creative Writing confronts and offers solutions to the perceived difficulty of teaching the subject in such environments Divided into two sections section one sees post secondary instructors address pedagogical techniques and concerns such as workshop revision and assessment before section two explores hands on activities and practical approaches to instruction Focusing on an invaluable and underrepresented area of creative writing studies this book begins a much needed conversation about the future of creative writing instruction at all levels and the benefits of collaboration across the
