

Reading Comprehension

Name _____

Date _____

I was counting down the seconds as I watched the clock. I didn't even hear what the teacher was saying. All I knew was I was ready to leave. It was Friday. I heard some chatter in the background, but I didn't listen. All I could think about was how good the food would be that night. I would order a thick juicy hamburger and some fries with extra ketchup. All of the waiters loved me at Jake's Hamburger. Stop. My parents had promised to take me there. Finally, the bell rang. I jumped up and ran to my locker. A lot of papers flew out. I just stuffed them back in, grabbed my things, and ran down the hallway. "Sarah," I heard my teacher call, "Don't forget about," as I ran out of the door. On Monday, I was back at school. "Oh, no, we are having a test," I thought. How could I have known? The teacher handed out the tests. I didn't know any of the answers to the multiplication or division problems.

1. Where was I when I was watching the clock?

2. Where were my parents taking me that night?

3. What was Sarah's teacher probably trying to tell her?

4. Do you think Sarah did well on the test? Why or why not?

5. What class was Sarah probably in when she was watching the clock?

Comprehension Stories And Questions Grade 9

Carmela M. Krueser

Comprehension Stories And Questions Grade 9:

The Latest and Best of TESS ,1991 **Classroom Data Tracking, Grade 3** ,2016-06-06 Classroom Data Tracking for grade 3 is a 160 page customizable resource that will transform how you track data and set goals in your classroom The book features tracking sheets that cover multiplication division rounding fractions story elements figurative language and more Take charge of data tracking with a product that simplifies the process The Classroom Data Tracking series for kindergarten to grade 5 provides the tools to successfully assess and track academic growth These books feature reproducible pages that focus on standards based ELA and math concepts Each title includes crosswalks for every anchor and an example for every reproducible With the help of this series you ll save time while your students master skills Classroom Data Tracking, Grade 1 ,2016-06-06 Classroom Data Tracking for grade 1 is a 160 page customizable resource that will transform how you track data and set goals in your classroom The book features tracking sheets that cover addition subtraction word problems place value measurement shapes decoding and more Take charge of data tracking with a product that simplifies the process The Classroom Data Tracking series for kindergarten to grade 5 provides the tools to successfully assess and track academic growth These books feature reproducible pages that focus on standards based ELA and math concepts Each title includes crosswalks for every anchor and an example for every reproducible With the help of this series you ll save time while your students master skills **Resources in Education** ,2000 Students Selecting Stories Jay R.
