

Nancy is a 17-year-old vegetarian. Her diet includes only fruit and vegetables without any animal products. She is very active in sport. She started feeling weak and tired most of the time and went to her doctor. The doctor diagnosed a food-related health condition and prescribed the breakfast plan below to improve her health.

BREAKFAST PLAN
• Fresh fruit • Muesli and plain yoghurt • Hard-boiled eggs • Orange juice

[Own text]

- 3.7.1 Identify the food-related health condition the doctor diagnosed.
- 3.7.2 Discuss reasons why the doctor prescribed the above plan for Nancy.

Bamossy, Gary Bamossy, Søren Askegaard, 1999 Intended for European students this work presents the issues illustrative examples data and research concerning European consumer markets and behaviour while retaining material from the US and covering the other major global markets The text utilizes a five part wheel structure which moves from the micro to the macro level It expands in focus and coverage from individual consumers and their internal dynamics through group and household consumption decisions to larger social structures sub cultures and finally mass cultures consumption activities Research in Education, 1972 *Export Strategy: Markets and Competition (RLE Marketing)* Nigel Piercy, 2014-09-15 This book offers management students and managers new insights by approaching exporting from the perspective of marketing planning rather than the mechanics of export practice The author evaluates the

widely recommended strategy of key market concentration showing its weaknesses and the flaws in the supporting evidence. The book provides the reader with a framework for making an explicit and informed choice between the real market options faced in practical export situations which takes into account the many company and market factors shaping such strategies. Closely related to market strategy is the competitive base for a company's exporting particularly in balancing price and non-price forms of competition and this is assessed in the second part of the book. **research in marketing**, 1992
