Non Religious Funeral Litany:

The Almanac for Pastoral Liturgy Sourcebook Joseph DeGrocco, 2013 *Death Liturgy and Ritual* Paul P.J. Sheppy, 2017-07-05 *Death Liturgy and Ritual* is a two volume study of Christian funerary theology and practice presenting an invaluable account of funeral rites and the central issues involved for compilers and users Paul Sheppy writes from direct experience of conducting funerals and of drafting liturgical resources for others In Volume II A Commentary on Liturgical Texts reviews a wide range of current Christian funeral rites and examines how they reflect both the Church's concern for the death and resurrection of Christ and the contemporary secular demand for funerals which celebrate the life of the deceased The companion volume Volume I A Pastoral and Liturgical Theology proposes that the Church ought to construct its theological agenda in dialogue with other fields of study Sheppy argues for a Christian statement about death that finds its basis in the Paschal Mystery since human death must be explained by reference to Jesus' death, descent to the dead and resurrection Using the three phases of van Gennep's theory of rites of passage the author shows how the Easter triduum may be seen as normative for Christian liturgies of death **Order of Christian Funerals** Catholic Church, 2018-08-13 This English edition of the Order of Christian Funerals has been updated to include the proper readings from the 1998 Lectionary for Mass proper texts from the third edition of The Roman Missal Rites of Committal for the Order of Christian Funerals English Catholic Bishops Conference, 2005-03-01 Since liturgical celebration involves the whole person it requires attentiveness to all that affects the senses The readings and prayers psalms and songs should be proclaimed with understanding conviction and reverence The ritual gestures processions and postures should express and foster an attitude of reverence and reflectiveness in those taking part in the funeral rites This Committal rite should be celebrated in an atmosphere of simple beauty in a setting that encourages participation Care must be taken that the choice of signs and symbols are in accord with the culture of the people With these words this important new publication is introduced Various texts for committal are printed along with rubrics and including also the rite of committal at a crematorium This new version of the Rite of Committal now includes the Roman Lectionary relating to Funeral Rites but now excludes the Rite of Committal for children *The Liturgy Documents, Volume Two* Rev. assisting Christians in grasping who we are called to be in this life as disciples and who we are promised to become in eternal life as saints As the author points out the centrality of baptismal identity to the funeral liturgy he makes apparent that the union established at Baptism continues until all reach Christ Such an appreciation for life in the Body of Christ will help the community recognize both their responsibilities at the death of a member and the union that remains with that member as all journey to the divine Wilbricht explores the Church s theology of Baptism and death and provides pastoral suggestions that will encourage communities to carry out their commitment to care for the grieving and bury the dead
