and institutional reforms such as term limits Panagopoulos evaluates explanations and consequences for these developments over time He points to important implications for the study of congressional elections and democracy in the United States including reforms in recruitment and candidate selection strategies to heighten electoral competition and ultimately to enhance democratic representation in Congress For students and scholars of the U S Congress and elections this book addresses public concern about representation as well *Missouri Law Review* ,2010 **Army JROTC Leadership Education & Training: Citizenship and American history** ,2002 *Federal Register* ,1999-05-03 *West's New Hampshire Digest, 1760 to Date* ,1951 **Report of the Congressional Committees Investigating the Iran/Contra Affair** Lee H.
