How To Survive And Excel In Prison Within And Without:

How to Survive and Excel in Prison (within and Without) Abdur-Rauf A. Rashid, 2001 **Escaping from the Prisons Within** Rogelio Cuesta, 2008-05

Escaping from the prisons within Ethics as a process of liberation This book is a pioneer in its field for the first time a book and guide is designed for the incarcerated population At the same time it offers and proposes a moral component for not only academic programs but rehabilitation and self help as well The author proposes a moral therapy as a necessary resource in the process of being and becoming more human It deals with a humanizing vision of ethics as it tries to rescue positive and therapeutic elements that are at the core of the human soul Escaping from the prisons within Ethics as a process of liberation aims to incorporate a vital dimension that is missing in our programming to inmates the ethical component or moral therapy This therapy assists the reader in escaping from some of our interior prisons mind heart time and environment Given the strong undercurrent of philosophy and humanistics the text incites and invites a profound reflection and personal response By this approach ethics awaken and nourish not only the thinking man but especially the doer the active man as he becomes aware of the supreme effort and sublime pathway toward self liberation Rogelio Cuesta Fernandez was born in Spain He holds a Doctorate in Theology from the University of Santo Toms in Rome and a Ph D in Spanish Literature from New York University He has extensive experience teaching the humanities and Theology in Europe as well as in the United States In addition the author taught for 23 years for the Department of Corrections in a maximum security facility in New York State

Surviving Incarceration Rose Ricciardelli, 2014-05-30 Is prison a humane form of punishment and an effective means of rehabilitation Are current prison policies such as shifting resources away from rehabilitation toward housing more offenders improving the safety and lives of incarcerated populations Considering that many Canadians have served time are currently incarcerated or may one day be incarcerated and will be released back into society it is essential for the functioning and betterment of communities that we understand the realities that shape the prison experience for adult male offenders Surviving Incarceration reveals the unnecessary and omnipresent violence in prisons the heterogeneity of the prisoner population and the realities that different prisoners navigate in order to survive Ricciardelli draws on interviews with almost sixty former federal prisoners to show how their criminal convictions masculinity and sexuality determined their social status in prison and in consequence their potential for victimization The book outlines the modern inmate code that governs prisoner behaviours the formal controls put forth by the administration the dynamics that shape sex offender experiences of incarceration and the personal growth experiences of many prisoners as they cope with incarceration

TURN YOUR LIFE INTO A MASTERPIECE Funda Mpanza, 2014 Turn Your Life into a Masterpiece is written to benefit everyone who enjoys popular psychology and motivational talks The book

motivates people to work on their lives and become masterpieces It is designed to assist those who are battling with various kinds of challenges so that they may see that there will always be a way of escape regardless of the size of the challenges ahead of them It also helps those who are already motivated to appreciate that life is full of opportunities and options that are waiting to be pursued tirelessly After reading this book the reader will be enlightened so much that his or her life will change forever I therefore suggest that the reader not rush through the book but rather take one chapter or portion at a time and spend time reflecting on the ideas that are suggested in the book What matters the most is what each thought means to each person who comes into contact with the book
