Commonwealth Caribbean Business

Law Natalie Persadie, Rajendra Ramlogan, 2010-04-20 Commonwealth Caribbean Business Law breaks away from the traditional English approach of treating business law primarily as the law of contract and agency. The book takes a panoramic view of the foundation of various legal systems with a subsequent examination of different areas of legal liability that may affect business activities. These areas include contract law, agency, tort law, criminal law, and internet law as significant challenges confronting the business sector. The book primarily targets the development of business law in several Caribbean Commonwealth jurisdictions but also where appropriate embraces the jurisprudence of other Commonwealth nations such as the United Kingdom, Canada, and Australia. With respect to internet law, the proliferation of judicial pronouncements emerging from the United States provided the platform for the only non-Commonwealth treatment of a topic. The approach of the book is to use excerpts from judgments so as to allow students, particularly the non-legal student, to understand legal principles as espoused by the judiciary without the filtering bias of authors. Caribbean Business Law breaks away from the traditional English approach of treating business law primarily as the law of contract and agency. It provides a broad overview of the foundation of various legal systems and goes on to examine the various areas of legal liability that may impact on business activities. These areas include tort law, criminal law, internet law, and payment in business transactions. Specifically, the book targets the development of business law in several Commonwealth jurisdictions including Canada and Australia but with special focus on legal developments in Commonwealth Caribbean countries. The approach of the book is to present excerpts from judgments so as to enable students to understand legal principles as espoused by the judiciary without the filtering bias of authors. This new title is essential reading for students taking LLB and Business Degree courses in the Caribbean and other Commonwealth jurisdictions. *General Motors N-cars Automotive Repair Manual* Richard Lindwall, John Harold Haynes, 1995.
