**The Doctrines of Grace from the Lips of Our Lord** J. D. Watson, 2012-07-18 The doctrine of salvation is the watershed doctrine of Scripture Flowing from that doctrine will be not only all other doctrine but also personal practice and Christian ministry The major controversy concerning salvation is whether it is a result of the sovereign grace of God alone or a mixture of God's part and man's part Addressing that issue is absolutely critical to the very foundations of Christianity itself Whichever one of those premises is correct we should expect to find it everywhere we look in Scripture and that is precisely what we find There is no truth that permeates the Bible more than the doctrines of God's sovereign grace From Genesis to Revelation in literally hundreds of verses these doctrines call capture and command our attention Of the many books of the Bible we could choose the Gospel of John is among the most compelling because of its foundational nature It is there we find some of the most profound teaching on the Doctrines of Grace in all Scripture Examining more than one hundred verses in John this small volume presents these great biblical and historical doctrines directly from the lips of our Lord **Key Words or Phrases that Unlock Subjects Of The Bible** Carl Verner Cederberg, 2016-07-20 Key Words or Phrases That Unlock Subjects of the Bible is a thought provoking guide to the Bible and the secrets that have remained hidden within it until now An ideal tool for anyone who has a deep longing to uncover deeper truths within the Bible biblical scholars preachers and laypersons seeking to expand their knowledge and comprehension of the Bible will all find much to discover in this fascinating God inspired guide What are the real story of Christmas and the birth of Jesus Where did all the different races of humans come from Who is Satan What foods are acceptable to eat If you have ever wondered about these or other mysteries of the Bible this book is for you Using the original manuscripts of the Holy Bible also known as the Masoretic Text the author has analyzed scriptures to uncover their mysteries using key phrases and words just as one would put together a jigsaw puzzle His insightful analysis and commentary a wealth of insight for readers *Key Words of the Christian Faith* Reinder Bruinsma, 2008 If you were asked to define the essence of Christianity what would you say Which words would you choose to describe the life changing pursuit of something completely intangible All too often Christian words are used superficially without comprehension of their truest meaning surface answers to humanity's most important questions But these words influence your sole connection to eternal life **Romans: Theological Masterpiece (Volume 2)** Joseph R. **Lincoln's Gettysburg Address** A. E. Elmore, 2009-11-20 While it has long been determined that Abraham Lincoln's writings were influenced by the King James Bible until now no full length study has shown the precise ways in which the Gettysburg Address uses its specific language Refuting the view that the address was crafted with traditional classical references this revealing investigation provides a new way to think about the speech and the man who wrote it A E Elmore offers chapter and verse evidence from the Bible as well as specific examples from the Episcopal Book of Common Prayer to illustrate how Lincoln borrowed from these sources to imbue his speech with meanings that would resonate with his listeners He cites every significant word and phrase conceived brought forth struggled remaining consecrate dedicate hallow devotion new birth to name a few borrowed by Lincoln from these two religious texts for use in his dedication of the Gettysburg National Cemetery Lincoln's Gettysburg Address focuses on a number of overlooked themes and ideas such as the importance of literary allusion and the general public's knowledge of the Bible in the age of Lincoln It provides fresh answers to old questions and poses new questions Was Lincoln a common thief who made use of words from previously published materials as well as from works by his contemporaries Was he a genius whose literary and political skills were unmatched No one who reads this highly engaging study will ever think about Lincoln or the Gettysburg Address the same way again
