**Violence, Justice, and Law in Classical Antiquity** Andrew Lintott, 2023-12-18 Violence Justice and Law in Classical Antiquity collects together forty three of Andrew Lintott's most significant papers

The legitimization of violence in Roman culture and Roman political discourse informs the nature of Roman imperialism and equally it is impossible to understand the illegitimate violence which characterised the political collapse of the Roman Republic without understanding its deep roots in the intellectually legitimised and legally sanctioned violence of Roman society.
