Preaching Effectively, Revitalizing Your Church Guerric DeBona, 2009 Preaching Effectively Revitalizing Your Church offers a practical and theological guide to effective preaching Guerric DeBona an experienced and respected teacher of homiletics uses the metaphor of a ladder to describe the ascent up seven rungs that constitute the strategies of preaching Beginning with advice on discovering a personal theology of preaching the author proceeds to unlock the power of the Bible and the liturgy He then guides preachers in creating a unified homily and in discovering a homiletic method that best suits their own intellect and temperament Chapters on communicating in contemporary culture and on globalizing the homily for the New Evangelization are vital for coming to grips with the technological age and the often bewildering diversity of today's world Finally DeBona challenges readers to recognize and confront their own obstacles to effective preaching Each chapter ends with questions to assist preachers in appropriating the material With bad homilies consistently cited as a factor in declining church attendance Preaching Effectively Revitalizing Your Church answers a very pressing need especially in view of the papacy's urgent call to rescue traditionally Christian countries from the brink of total secularization Book jacket

special interest to masters level students in liturgy and theology pastoral ministers seeking an introduction to the liturgies of the Christian East and all who seek to increase their knowledge of the liturgical riches of the Christian East Liturgies in East and West Hans-Jürgen Feulner, 2013 The celebration of the liturgy is central to the life of faith and also for the self understanding of the various churches in the East and West An amazing convergence of Christian denominations has taken place in the area of liturgy and liturgical studies since the Second Vatican Council entering also into the practice of liturgical celebration In this collection with contributions from a symposium held in Vienna in November 2007 internationally recognized scholars from various Christian denominations present the ecumenical contributions and the Jewish roots of the Christian liturgy PLEASE NOTE The individual essays in this volume are written in various languages The book contains ten essays in English eight in German and two in French Series Austrian Studies of Liturgy and Sacramental Theology Österreichische Studien zur Liturgiewissenschaft und Sakramententheologie Vol 6 **The Lion Led the Way** Dwight Hutchison, 2021-07-07 Was there a meaningful stellar sign over Bethlehem What did it look like to someone looking up at the night sky Did wise men really come from the East seeking Israel's Messiah sometime after the birth of Jesus The biblical account of the wise men and the star that announced the coming of the Messiah of Israel has inspired and puzzled people for two millennia Important aspects of Babylonian astronomy seem to be involved in understanding the star's appearing But in addition **The Lion Led the Way** also explores the men and events from a profoundly Jewish perspective The traditional Jewish names of stars and planets Jewish symbols as well as Jewish dates all seem to be keys to unlocking the mystery of the famous star The star of Bethlehem was not the brightest of the heavenly lights nor was it the most spectacular starry manifestation of all time However it was part of the most meaningful set of celestial events in human history The God of Israel is surprising His ways are not our ways his thoughts are not our thoughts The star gives us a concrete example of God's intervention in the universe Book website www.starofbethlehem.info **MUL.BABBAR: The Messiah's Star** Dwight Reed Hutchison, 2024-07-19 Was there a star announcing the coming of the Jewish Messiah at the end of the first millennium BC Did wise men come from the east seeking the newly born king of the Jews How can one be sure MUL BABBAR The Messiah's Star approaches the Star of Bethlehem from a Jewish and Babylonian perspective Babylonian astronomy and royal symbolism seem to give clues about the star However the royal celestial signs related to the coming of the Messiah are also connected directly to Judaism and the Bible The Messiah's star announced the coming of a great king The Greatest of Kings destined to rule the world This book is an updated improved and expanded version of **The Lion Led the Way** by the same author *New Proclamation Commentary on Feasts, Holy Days, and Other Celebrations* Bill Doggett, Gordon W. Lathrop, 2007 *New Proclamation Commentary on Feasts Holy Days and Other Celebrations* continues the tradition of excellent biblical commentary that users of the seasonal *New Proclamation* volumes have come to expect This volume offers essential historical background about each of thirty five so called lesser feasts and places each day into the context of the church year

Quotes related to the festival day from prayers liturgies and other sources have been included to help enliven the sermon and enhance worship along with other guidance for preaching Commentary and recommended texts for ten national days and nonliturgical celebrations are also included Orthodox Christianity: The Basics Nicholas Denysenko,2025-09-18
