Man of Two Worlds Frank Herbert, Brian Herbert, 2016-05-17 From a New York Times bestseller, a sci-fi novel of great charm and freshness with improbable situations, weird complications, vital characters. Kirkus Reviews: What if the entire universe happened to be the creation of alien minds? Dreens are extraordinary storytellers, and they can actually make the worlds they imagine come to life, and this is the origin of Earth and the entire known universe. Even though Dreens live far across the universe, the human race has the technology for interstellar travel and the military power to destroy the aliens' core planet. But Earth itself is only sustained by the continued existence of the Dreens. If the last Dreen dies, all of humanity will disappear. A science-fiction adventure showcasing the imagination that made Frank Herbert famous, and the wry wit and satire that brought Brian Herbert critical acclaim.

Between Two Worlds: The autos sacramentales of Sor Juana Inés de la Cruz Amy Fuller, 2015-06-12 The seventeenth-century Mexican poet, playwright, and nun Sor Juana Inés de la Cruz is best known for her secular works, most notably her damning indictment of male double standards, *Hombres necios* (Stupid Men). However, her autos sacramentales, allegorical one-act plays on the Eucharist, have received little attention and have only been discussed individually and out of sequence. By examining them as a collection in their original order, their meaning and importance are revealed. The autos combine Christian and classical pagan imagery from the Old World with the conquest and conversion of the New World. As the plays progress, the mystery of Christ's greatest gift to mankind is deciphered and is mirrored in Spain's gift of the True Faith to the indigenous Mexicans. Sor Juana's own image is also situated within this baroque landscape, presented as a triumph of Spanish imperialism, an exotic muse between two worlds.

Torn Between Two Worlds Shawn T Murphy,2017-09-12 This is the third and final battle Even with all the knowledge and wisdom we have gained daily we make choices between the material world and the ethereal world choices between our ego or our true selves Underpinning these personal choices are two ethereal destinations that are actively courting us One of these destinations offers material rewards for its loyalty while the other offers spiritual rewards This final book will shed light onto the masters of these two destinations and the characteristics of their servants The ancient Greeks referred to the two sets of servants as Nymphs and Muses Each Nymph specialized in a different vice ready to offer material reward for loyalty Each Muse specializes in one of the virtues and offers wisdom for loyalty I will start by looking at the life of Abram and

examine how these two masters attempted to influence his life By taking what science has uncovered about the life of Abram and what religions teach about his life and the lives of his children we can begin to discover the spiritual battle that has raged on earth since the beginning of time The Archangel Michael was there at the beginning of this battle and now it is our turn to finish the battle this is the purpose of life in the material world The enlightened Greeks celebrated the emergence of Aphrodite from the Bitter Sea escaping its ruler Poseidon and starting her journey back to Olympus The cover also shows how they depicted Hercules disguised in a lion skin the symbol for the ruler of this world and of the Bitter Sea Hades
