Beley, PhD, LCSW, 2014 If you are a person who has struggled with an addiction or a family member who is helplessly watching the slow death of a loved one from an addiction or even a seasoned professional who is overwhelmed and frustrated over the chronic relapses of clients here is a simple question to ask yourself if you are wondering whether this book is for you Does a person have control over a relapse If you answered yes then this book is absolutely for you This book is for you because the answer to this question is an emphatic NO Why is the answer no Addiction like any other disease follows a natural process Once it starts this process will continue its natural course that will eventually lead a person to a more deteriorated condition certain pain and suffering or even worse death There are no exceptions to this natural process unless of course this process is interrupted The more important question that needs to be asked is Does a person have control over their recovery The answer to this question is an emphatic YES The intent of this book is not so much to focus on the science of addiction although this will be addressed as much as it is on the science of recovery Although the reader will better understand some of the basic neurobiological processes underlying addiction It is just not genetics alone the reader will also explore how these same neurobiological processes are essential to recovery The contention here is that if there is a science of addiction there must be a science of recovery This book will explore the many facets of healing within the recovery process with particular emphasis on examining the role of our neurobiology and behavior More importantly it will give readers whether a person suffering from an addiction a

distraught loved one or a frustrated professional insight and a blueprint as to what needs to be done for a successful recovery regardless of the disorder Is relapse a part of recovery Absolutely Not **Beyond Addiction to Awakening:** , This book is an invitation to you to find completion and wholeness to work through second stage recovery fully including a necessary descent to let go of the separate self and embrace third stage recovery and abide in non dual being *Beyond Addiction* Rick Cottrell,2016-01-22 Author Rick Cottrell characterizes his childhood and nothing less than dysfunctional He experienced unhealthy living environments at an early age His experimentation with alcohol and smoking at the age of nine In beyond addiction Cottrell shares his personal story of addiction and the journey into recovery which he has been clean and sober for over 20 years Through his recollections Cottrell provides insight into the mindset of an addict and offers a look the world of addiction He narrates how those who have a problem with addiction can be transformed through recovery And those who have been affected by a person who is chemically dependent can find healing and freedom from dysfunctional living habits

Beyond Therapy Anne Wilson Schaef, 1992 This book recounts the author's personal and professional journey as a therapist and her movement beyond therapy. She argues that the dominant scientific and psychotherapeutic worldviews perpetuate the addictive processes they seek to cure and she describes for the first time in writing her living process work the unique model she has devised for healing addictions. Finally she presents a new theory culled from the theoretical and philosophical issues that have emerged from her journey and work.
