A fast-paced, riveting and vividly told story of unknown and true aviation adventure in the spirit of the legendary Air America. An abundance of actual photos accompany the 328 pages of text. Throughout, the author entertains with gut-busting laughs and anecdotes of some truly extraordinary aviating, the likes of which will never be seen again. Summer 1984. A lone desperate pilot arrives in the blistering heat of the south Texas border city of McAllen. Searching for a flying job, he finds old aircraft flying south in the dead of night, their cabins overloaded with electronic contraband. They were headed for clandestine airstrips deep into Mexico's interior. With pockets full of hope and not much else, the pilot's fragile lives hung literally on both engines running. Read about the incredible adventures, the hair-raising escapes, the long prison terms and death that await them south of the border. Read about the inherent danger in flying the dark, sinister Sierras and landing at blacked-out, improvised airstrips. Dealing with corrupt and ruthless Mexican authorities, pilots found their well-being hung by a tenuous thread. Everyone north and south had a price. For more than a few, that price was death. While not exactly a fountain of information, Chuck did manage to leave me with an uplifting reflection as I ambled away from his esteemed presence. I think he had sensed my apprehension. Offhandedly, he said that no one had been killed since early June. My pace slowed a bit as that uncertain benediction hit home like a June bug smackin' a Harley driver's eyeball. Whap! I took a quick look at my Seiko watch, a long-lived holdover from another asylum of anxiety called Vietnam. The day date showed Jun 21. Maybe he meant last June. I thought I turned to ask but changed my mind. With a somewhat dampened spirit, I returned to my metal abode for more contemplation. Keeping my options open grew more appealing for now. **An Unpresentable Glory** Eleanor K.

What is not so joyful is finding a strange man sprawled near her delphiniums. The mysterious man is sick, unable to do anything more than drink water and beg for secrecy. Ignoring all alarm bells, Linda sees to his needs, but her caring act takes on unexpected significance: an unpresentable glory. Seeds of trust and perhaps love are planted in Linda's garden haven. But as secrets are revealed and scandal hits the headlines, the act of caring for this man threatens to tarnish both of their reputations. Like weeds in Linda's garden, circumstances threaten to choke out their fledgling.

Pianissimo Catherine LaCroix, 2016-12-06 In the second installment of The Silent Note Tobias and Ara's love continues to grow through their shared adoration of music and each other Tobias struggles to create the perfect song for Ara seeking assistance from those closest to him An unexpected source leads him in the right direction and his composition for her transforms into more than just a sweet melody Excerpt I knew I'd arrived to the clearing early but I found it difficult to stifle my excitement The few days without my evening visits I spent counting down the seconds until I'd see Ara again Even so I slept soundly those nights something I hadn't been afforded recently My days spent with my father and grandfather seemed to move a little faster and I tackled whatever faced me with my heart a little lighter The moon hid her face that evening but the light of my lantern was plenty for me to see by I lay out a blanket I'd brought over the soft grass and set up a few plates of foods for us to enjoy during our time together Perhaps I'd overdone myself a little snatching anything I could from our kitchens including a few bottles of ale But Ara was special and I wanted to create more evenings for her to remember When I was pleased with my arrangements I leaned back against the boulder that usually served as my seating place and took my lute from its case Strumming a few casual notes I fell easily into a pleasant melody experimenting with different rhythms and chords as I went Before I saw Ara I heard her flute matching perfect harmony and rhythm with my seemingly random tune When she stepped into the clearing she drifted into her own melody still keeping in tune and pace with my playing Within it I could feel her excitement and happiness her passion and pleasure Ara displaced her silence with music her songs were her voice and it was beautiful She danced the few steps from the edge of the thicket to my blanket and knelt before me holding one long pure note before ending her piece a clear sign for me to stop playing Hello Ara I greeted her unable to mask my grin She gave me a tiny bow her smile just as wide Shifting to a cross legged position she gestured to my display of foods with a questioning look I thought since we were out here for so long last time we could do with a little something to eat Lifting up her fist she held her thumb and her forefinger a few inches apart before narrowing her eyes and cocking her head A little

The Last Book Sam Pickering, 2001 Readers familiar with Sam Pickering's delightful essays will certainly hope that the title of his latest collection is not intended as prophecy A true original Pickering offers observation on everyday life that never fail to sparkle with wit insight amusement and wonder Freely blending fact with fiction Writing makes liars of us all he notes Pickering ranges easily and amiably from his home base in Storrs Connecticut to his roots in middle Tennessee with numerous side trips to observe the natural world to reflect on the bonds of family and friends One essay finds him playing auctioneer at a local arts council event jollying the attendees with tattered country tales and fanciful extravagant claims for items being sold In another piece his tongue in cheek remarks about the split infinitive when quoted in a newspaper ignite a small controversy that lands him on radio talk shows and provokes a flood of sometimes angry e mail Yet whenever the irritations of the human world become a bit too wearying Pickering finds ready refreshment in the doings of birds and insects and the splash of sunlight on a tree or flower Throughout these sixteen essays Pickering implicitly heeds the advice he offers his son just before the boy must meet the parents of his prom date The good storyteller I instructed Francis heaps paragraph upon paragraph just like a waitress serving mashed potatoes in a family style restaurant Having dined at the table of a master storyteller readers will depart this collection feeling fully sated indeed well nourished The Author A native of Nashville Sam Pickering is a professor of English at the University of Connecticut and author of eleven previous books of essays His most recent collections are *Living to Prowl* *Deprived of Happiness* and *A Little Fling*
