## **Beyond Death Visions Of The Other Side Edgar Cayce Series:**

**Beyond Death** Edgar Cayce, 2023-10-23 Few visionaries have as detailed and expansive a vision of life beyond death as renowned psychic and seer Edgar Cayce This latest book presents his discourses on life beyond the physical world He reveals how our loved ones remain connected to us and may be communicated with He helps us understand dreams of death dying and dreams in which the dead appear or communicate He explains the nature of our mind its multilevels and how it may venture beyond physical consciousness even while we are incarnate Of course Cayce also presents his insights into reincarnation and how we souls travel together through many lifetimes even with our pets He explains how life is truly continuous how the mind and soul never die From his perspective it is not a death but only a transition to the other side and many realms of activity and learning all leading to a realization of our ultimate purpose for existence *Your Passport to*

*Alternative Spirituality and the After-Life* Maureen Perez, 2022-09-27 My reason for writing this book is to address the many opinions people have about alternative spirituality topics and what happens when we die There are many fearful ideas about death personal responsibility and sin I want to provide an alternative view of these subjects I firmly believe that our Creator would never cause us to suffer in any way shape or form That energy is of a loving parent who disciplines us when we need it and loves us unconditionally

**A MYSTICAL CONNECTION** H. Torrevillas, M.D., 2011-03-29 From early childhood through high school medical school and in his practice of Medicine in the Philippines and Australia he had encountered strange experiences some snatched him from the claws of death These experiences Part I inspired him to write this book The author's mother during World War II had a near death experience She was told to take care of the eldest the author because God has a design for him Is this call now 65 years later coming to its fulfillment At age 20 a voice communicated with the author At age 30 he was possessed for 20 minutes and messages were given to him At 48 Jesus Christ appeared before him in the cloud There are many other strange encounters in the life of the author A key was given to him to DECODE the symbologies in the Book of Revelation What is the real meaning of 666 The Dragon With Seven Heads and Ten Horns and many more Are these delusional Read carefully the book *My Son and the Afterlife* Elisa Medhus, 2013-10

Love knows no boundaries not even death An emotional journey through a mother's grief to healing and a doctor's skepticism to belief discover the answers that changed one woman's life forever and may just change yours too Are you not sure of what awaits you after death Dr Elisa Medhus wasn't either having never believed in life after death As an accomplished physician she placed her faith in science All of those beliefs changed after her son Erik took his own life and then reached out to her from the other side Intimate heartbreaking and illuminating this is an incredible journey from grief and skepticism to healing and belief in the afterlife Based on Medhus's wildly popular blog Channeling Erik *My Son and the Afterlife* is a story that is as painful as it is uplifting depicting a mother's healing journey as she discovers that Erik is still with her Erik speaks from the other side with candor wisdom and depth as he describes his own experiences and provides new answers about the nature of

souls death and the afterlife answers that have the potential to change our lives forever Content warning Please note that there is some explicit language present in this book *I Did It to Myself...Again!* Joanne DiMaggio,2020-03-13 What does it feel like to die What does the afterlife look like Who are the Council of Elders and how do they assist in planning your next life Who are members of your soul family and what role did they play in your past lives as well as in your current life What are the karmic issues and attributes you brought into this life Using past life regression to identify a significant former life followed by an exploration of the afterlife to experience the pre life planning session for this life this book answers the most commonly asked questions about death and rebirth Follow the karmic journey of 25 volunteers as they come to understand their soul s purpose and their role in designing their present life In thinking about your life you will discover that you did indeed do it to yourself for the greatest reason of all your soul s growth Dreams from the Other Side Alex Lukeman,2002-03-21 The stories in this book are all true Many are dreams of loved ones who returned to the dreamer days months or even years after death Alex Lukeman stresses the fact that while some dreams of the departed are psychological in nature there are also such things as true dreams of return In these a sense of completion and deep connection is always present **Encyclopedia of the Unseen World** Constance Victoria Briggs,2025-09-12 An A Z encyclopedia of the unseen and the unknown world of psychics channeling mediums mystics near death experiences prophets shadow people death bed visions astral projection and more The Encyclopedia of the Unseen World includes concepts as well as descriptions of the spiritual world that have been extrapolated from a number of sources including Ancient and Channeled Writings Cultural Beliefs Mediums Mystics Near Death Experiences Psychics Prophets and Visionaries Scriptures and more **Northrop Frye** Robert D. Denham,2004 The notebooks contents not only expand on ideas laid out in Frye s published works but also touch on subjects most readers would not associate with Frye such as his wide reading both in Eastern religious texts and in esoteric traditions ranging from astrology to the Kabbalah BOOK JACKET *Not Walking On Water* James S. Reiley,2011-11-15 Waking up to the idea that there may be more to the universe than he learned in Sunday School Paul Bradley sets off to make sense of all manner of newly discovered spiritual notions Fortunately he is guided by another computer software guy named Bob who is also a hippie Zen Buddhist Paul s trip takes a slew of turns through organic farming strange encounters with other beings far out forms of spiritual discipline and the dissolution of a broken marriage At every hard spot or weirdness Bob is there to provide enlightened guidance usually with a peculiar twist of some sort Written in the style of Dave Barry with humor punctuating most situations the novel is aimed at people trying to get a handle around the ideas of where we come from where we re going and why JAMES REILEY has degrees in Mathematics Computer Science and Medicine and has spent the last thirty odd years studying spirituality from a variety of different perspectives Dr Reiley is currently a part time writer and practicing physician in Connecticut **We Live Forever** P. M. H. Atwater,2004 First hand accounts of near death experiences Publisher s description **Subtle Implications** R. Abraham Wallick,2013-08-08 Subtle

Implications is a defining clarification of the human experience as presented in the story of the authors life and expressed in his Theories of Everything Through his unrelenting quest to understand and come to terms with lifes wide variety of apparently random events he developed a methodology we can use to analyze and understand the madness At the very least the author offers the opportunity to gain the insight and strength needed to cope with even the worst of lifes emotionally crippling crises What are the true natures of our physical and spiritual realities How did our Universe begin Why are we here Why do bad things happen in our lives What happens when we die Do we live again Life is not that complicated Pertinent information and the proper perspective can help you see life as your own creation You alone are responsible for the present state of every facet of your life Together we are responsible for every aspect of the world that greets us every morning Together we can create a world where a comfortable life is the rule and not the exception It is all up to us **The Complete Idiot's Guide to Life After Death** Diane Ahlquist,2007-07-03 Get an after life A belief in the afterlife is common to almost every faith and culture around the world Even people who don t consider themselves spiritual share a fascination in life after death In this powerful guide author and intuitive Diane Ahlquist shares her own knowledge of the subject as well as the views of such religious and spiritual leaders as Edgar Cayce and the Dalai Lama Awakening the Psychic Self Deanna Marie Riddick,2019-05-28 Through the warm and compelling story of a conflicted Christian hiding psychic skills learn to awaken your special gifts of the spirit Many devout Christians conceal their psychic abilities or deny the reality of their gifts due to the immense sense of fear and condemnation engendered by biblical scripture Especially for Christians but applicable to all this sojourn will teach you how to fully bridge the seeming polarity of Christianity and the psychic realm Broken into two parts the first will take you along the path of growing up Christian with an upbringing teaching of sinful and punishable acts relating to the seeking out of mediums psychics and fortune tellers The second part is chock full of practical exercises meditations and techniques to develop your psychic abilities and connect to Christian religious aspects in a way that is comfortable **Beyond Heaven and Earth** Steven H Propp,2003-11-17 Have you ever wondered what happens to us when we die What if you really HAD to know When tragedy strikes the family of young Jobran Winter he is forced to confront these questions directly Undertaking a feverish Quest he explores various branches of Christianity Judaism Islam Hinduism Buddhism Sikhism as well as the religions of China and Japan His search encompasses the New Age Reincarnation Spiritism and Psychical Research Attending channeling sessions and sances investigating haunted houses and Near Death Experiences he examines spiritual traditions ranging from Swedenborg to Scientology from Jodo Shinshu to the Jehovah s Witnesses Finally the Quest brings him into direct contact with Hospice work physical disability child abandonment abortion suicide euthanasia and even cold blooded murder Encounter the doctrines of Purgatory Predestination Universalism Annihilationism as you journey in a novel that will make you reexamine your ideas about religion skepticism love death and LIFE *Subject Guide to Books in Print* ,1997 Looking for the Other Side Sherry Suib Cohen,2012-04-04 If you re going to write a book

about worlds with no answers phenomenon that scientists can't explain and skeptics can't fathom you'd better do it with the right equipment the eye of a journalist the voice of a novelist an open mind and compassionate heart In *Looking for the Other Side* writer Sherry Suib Cohen is perfectly outfitted with these tools in her exploration of the world of the occult It all begins when Cohen a journalist takes an assignment to try and contact the spirit of her deceased mom In her searching she meets astrologers past life channelers numerologists psychics and a host of other practitioners eager to put her in touch with her past her future and her heretofore unexplored spiritual self Cohen will hook readers with her determination wit generosity and astonishing willingness to try anything In the end her personal odyssey becomes ours and even the most devoted skeptics will find themselves rethinking what might and what might not be possible Betsy Carter Editor in Chief *New Woman* magazine When I saw the words know thyself carved above the Oracle's gate at Delphi I shivered and didn't understand why Now I understand Knowing myself would mean suspending judgment would mean tapping into banks of information I never before thought relevant to my pragmatic lifestyle Well I've tapped This book is the result writes Sherry Suib Cohen And in a spirited narrative Cohen tells us about her experiences wherein she confronts death blame forgiveness faith truth and family in addition to Mom When readers finish this personal odyssey and guidebook into the unknown they may decide just as Cohen did that there's something to these otherworldly spheres after all

**Contact with the Dead** Rosemary Ellen Guiley, 2018-07-13 The dead are never lost to us Many ways exist for the living and the dead to have contact Here researchers and experiencers describe intense and moving visits and messages from the dead convincing them beyond doubt that the soul lives after physical death and the dead are always with us Thirty one articles and more than half a century of wisdom from the pages of *FATE* magazine validate contact with the dead from different perspectives Dreams and visitations Mediumship Audio and visual technology Contact with pets Included are tips and techniques for seeking your own contact This is an empowering and informative book that will aid you in your own search for evidence of the other side Thought provoking contributions by noted researchers and authors on topics about communication with the deceased provide an informative and highly enjoyable ride for those who want to make up their own mind on the possibility of life after death Collectively the information shatters the scientific theory that we cease to exist beyond so called death The net result provides an absolutely spell binding holistic understanding of the evidence which may provide the answer to critical thinkers Is death really the grand finale Find out Robert Davis PhD author *Life After Death An Analysis of the Evidence*

**Endings** Michael C. Kearl, 1989-10-26 Arguing that death is the central force shaping our social life and order Michael Kearl draws on anthropology religion politics philosophy the natural sciences economics and psychology to provide a broad sociological perspective on the interrelationships of life and death showing how death contributes to social change and how the meanings of death are generated to serve social functions Working from a social as well as a psychological perspective Kearl analyzes traditional topics including aging suicide grief and medical ethics while also examining current issues such as the impact of

the AIDS epidemic on social trust governments use of death symbolism the business of death and dying the political economy of doomsday weaponry and death in popular culture Incisive and original this book maps the separate contributions of various social institutions to American attitudes toward death observing the influence of each upon the broader cultural outlook on life     *About - 2012 & Beyond* White Eagle,2010-12-31 Have You wondered What will really occur on December 21 2012 Have You wondered Why the Mayan Calendar Stops on that Date Would You like to know what You can do Now to save All Life here on Mother Earth Share in the means and experiences that a practicing Medicine Man takes to solve these very questions that is described and illustrated in detail within this very book Within the pages and chapters of this book not only does White Eagle provide detailed descriptions of what he experienced and saw he even includes photos so that you can examine them and make your own conclusions     **The Lost Secret of Death** Peter Novak,2025-09-12 Novak investigates a belief called the Binary Soul Doctrine BSD which states simply that humans possess two souls which split at death the conscious going on to reincarnate again and again while the unconscious ends up in a type of limbo judging itself for all eternity He goes on to explain that long ago the BSD was the primary belief of a single world religion which since has been broken into more and more fragments However he claims that twentieth century findings including the work of Freud and Jung as well as findings of modern neuroscience and Near Death research has marked a resurgence of belief in the veracity of the BSD Novak argues just as those long ago did that it is essential for humans to integrate these two souls together before death to avoid the nightmare of being split in two at death He even offers a few steps to help readers start the process of integration
