Making Known the Biblical History and Roots of Alcoholics Anonymous Dick B., 2006 One of a kind bibliography research and history resource containing explicit information about author Dick B s 16 years of research 1 Collecting over 25 000 books and materials on the roots of A A 2 Using them in the publication of his 26 titles more than 120 articles and over 30 audio talks 3 Describing where he went for the history where it is located who was interviewed and what it contains 4 It lists titles Dick used in his writing all of the background titles involved in A A s use of the Bible Quiet Time Oxford Group life changing program Anne Smith s Journal Rev Sam Shoemaker s teachings religious literature AAs read the United Christian Endeavor Movement Carl Jung William James William D Silkworth Richard Peabody Emmet Fox and many other New Thought influences 5 It lists all the books in A A founder Dr Bob s library and collections a list found nowhere else 6 It contains manuscripts from archives and libraries and personal collections all over the U S and England 7 There is a huge collection of temperance books and literature described 8 Topical books by A A about A A about alcoholism about spirituality about the Bible religion and clergy 9 Included are records of Dick s notes and interviews 10 Almost this entire collection of materials has been donated to and can now be found and studied at Griffith Library which is part of The Wilson House birthplace of Bill W in East Dorset Vermont Taken together this reference volume and the actual materials in the Griffith Library constitute the largest and most complete record of early A A historical materials in the world today other than the Library of Congress items **Beyond Violence** Agnes Leakey Hofmeyr, 1990 **Histories of the Hanged** David Anderson, 2011-12-30 The true story of the Mau Mau rebellion of 1952-60 in Kenya told for the first time This book tells for the first time the story of the dirty war the British fought in Kenya in the run up to the country s independence in 1964 In 1952 after years of tension and bitterness the grievances of the Gikuyu people of central Kenya exploded into open rebellion Only 32 European settlers died in the subsequent fighting but more than 1 800 African civilians over 3 000 African police and soldiers and 12 000 Mau Mau rebels were killed Between 1953 and 1956 Britain sent over a thousand Kenyans to the gallows often on trumped up or non-existent charges Meanwhile 70 000 people were imprisoned in camps without trial for between two and six years David Anderson provides a full and convincing account of a war in which all sides behaved badly and therefore few of the combatants can be either fully excused or blamed These events are still within living memory and eye witness testimonies provide the backbone of this controversial story **Writers' Forum** , 1994 **Youth Violence** I. M. Rachia, 1999 This bibliography comprises a selection of Library of Congress catalog records for some 1 500 books periodicals and websites related to youth violence Anyone wanting such a bibliography could probably compile it from the Library of Congress web site and the deficiencies in conception and design of this product defy understanding A brief preface sounds an alarm no one should be surprised that youth violence lurks behind every school house door but sets forth no criteria for selection of citations no indication of time frame purpose or audience Entries are arranged alphabetically by title within

chapters on school violence guns and youth gangs campus violence dating and violence and periodicals and Web sites Unforgivably primitive alphabetic sorting puts all titles beginning with The together the same with other articles and in addition those titles are indexed together Though the title indicates the presence of abstracts there are none except the summaries supplied by Library of Congress for juvenile titles of which there are many Cross referencing and indexing except by title are absent The compiler s credentials motivation and orientation are not cited Furthermore with better design the contents would have consumed half the number of pages and a few typeface variations would have eased scanning Annotation copyrighted by Book News Inc Portland OR **Small Press Record of Books in Print** Len Fulton,1994
