*Practical Religion* J. C. Ryle, 2024-05-01 How much religion among many members of churches consists of nothing but church rituals They belong to their church They are baptized married buried in at the church and preached to on Sundays by her ministers but the great doctrines of truth have no place in their hearts and only a little influence on their lives Is the religion of these people real Christianity No it is Churchianity and nothing more If your religion is real and has been given by the Holy Spirit it must be in your heart It must sway the affections It must lead the will It must direct the tastes It must influence the choices and decisions It must fill the deepest lowest inmost seat in your soul Is this your Christianity Real Christianity will cause a person to glory in Christ as the Redeemer the Deliverer the Priest and the Friend without whom he would have no hope at all It will produce confidence in Him love toward Him delight in Him and comfort in Him as the Mediator the Food the Light the Life and the Peace of the soul This Christianity will produce in the person who has it repentance faith hope love humility spirituality kindness self denial unselfishness forgiveness temperance truthfulness brotherly kindness patience and forbearance Is this your religion About the Author John Charles Ryle 1816 1900 graduated from Eton and Oxford and then pursued a career in politics but due to lack of funds he entered the clergy of the Church of England He was a contemporary of Spurgeon Moody Mueller and Taylor and read the great theologians like Wesley Bunyan Knox Calvin and Luther These all influenced Ryle's understanding and theology Ryle began his writing career with a tract following the Great Yarmouth suspension bridge tragedy where more than a hundred people drowned He gained a reputation for straightforward preaching and evangelism He travelled preached and wrote more than 300 pamphlets tracts and books including Expository Thoughts on the Gospels Principles for Churchmen and Christian Leaders of the Eighteenth Century Ryle used the royalties from his writing to pay his father's debts but he also felt indebted to that ruin for changing the direction of his life He was recommended by Prime Minister Benjamin Disraeli to be Bishop of Liverpool where he ended his career in 1900

Is it Real? A Question for the

Times. Sixth Edition. Thirtieth Thousand John Charles Ryle, 1862      **J.C. Ryle - Practical Religion** J.C. Ryle, 2018-12-27 My chief desire in all my writings is to exalt the Lord Jesus Christ and make Him beautiful and glorious in the eyes of people and to promote the increase of repentance faith and holiness upon earth J C Ryle      **Shakespeare beyond Doubt** Paul Edmondson, Stanley Wells, 2013-04-18 Did Shakespeare write Shakespeare The authorship question has been much treated in works of fiction film and television provoking interest all over the world Sceptics have proposed many candidates as the author of Shakespeare s works including Francis Bacon Christopher Marlowe and Edward De Vere the seventeenth Earl of Oxford But why and how did the authorship question arise and what does surviving evidence offer in answer to it This authoritative accessible and frequently entertaining book sets the debate in its historical context and provides an account of its main protagonists and their theories Presenting the authorship of Shakespeare s works in relation to historiography psychology and literary theory twenty three distinguished scholars reposition and develop the discussion The book explores the issues in the light of biographical textual and bibliographical evidence to bring fresh perspectives to an intriguing cultural phenomenon      Practical Religion. Being Plain Papers on the Daily Duties, Experience, Dangers, and Privileges of Professing Christians John Charles Ryle, 2025-09-21 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      **Spiritual Cosmos Realignment** Henry Epps, 2012-08-26 Spiritual cosmos realignment talks about the coming spiritual reformation of the global church of the living God      **Beyond Compare** Francis X. Clooney, 2008-10-08 Beyond Compare is a remarkable work that offers a commentary on spiritual learning for the twenty first century rooted in two classic texts from the Hindu and Christian traditions the Essence of the Three Auspicious Mysteries by r Ved nta De ika and Treatise on the Love of God by St Francis de Sales In his commentary Clooney achieves multiple goals the book is a contribution to Christian spiritual theology highlighting for today the beautiful insights into love by St Francis de Sales 1567 1623 Doctor of the Church At the same time it points out how even in our world of many religious paths we can recover and deepen the ancient tradition of loving surrender into God s hands by opening ourselves to the wisdom of India and one of Hindu India s most famous traditions of loving God explained to us by the south Indian Hindu theologian r Ved nta De ika 1268 1369 Clooney goes further offering a comparative study of these classic works in which he self consciously writes about the process of reading the two works and the impact this approach has on the reader The good advice found through this deep engagement with these texts offers a deeper insight into how we can most fruitfully and spiritually think about religious pluralism in the 21st century remaining open in heart and mind while loyal still to our own tradition Not merely a book about loving surrender to God Beyond Compare offers us the opportunity to advance along that path ourselves learning from the wisdom of St Francis de Sales and r Ved nta De ika meditating on their two paths together deepening our own love and willingness to surrender in love to God      **Variety Film**
