A Study Guide for Marianne Moore's "The Fish" Gale, Cengage Learning, 2016 *Answers to Teenagers' 50 Toughest Questions* Phil Bell, 2012-03-01 If you've ever felt unprepared when students want to talk about tough topics then this is the book for you *Answers to Teenagers' 50 Toughest Questions* will equip you with biblical practical specific responses to the thorniest questions students may toss your way *Daniel in Babylon* Mark T. Clark, 2025-02-04 Daniel lived an exemplary life of faith during historic political events He excelled at his job in exile while committing himself to God's kingdom purposes for his day Because he did he models how people may live exemplary lives of faith by committing themselves to God's kingdom purposes for their day even in these troubled political times In this book Clark reveals the nuances of Daniel's wisdom while living in exile He evaluates how Daniel appealed to increasingly higher political and celestial authorities throughout his time in office in two different empires the Babylonian and Persian Daniel's righteous living and wisdom in these five appeals reveal why he was considered highly esteemed in the kingdom of heaven In the final chapter Clark uses intelligence analysis methods to demonstrate the reliability of the authorship of the book of Daniel *The Messiah's Imminent Return* DeLinda N. Baker, 2017-11-13 Throughout both the Old and New Testament there are numerous prophecies pointing to the return of the Messiah in power and glory In the early church a prevailing message was Jesus's promise to return in the clouds The knowledge that the Messiah would someday return and deliver Israel and the saints from the evils of this world has been a tremendous source of encouragement over the ages The questions have been and continue to be When will Jesus return Have the signs of his return been fulfilled Is the Messiah's return imminent In this book we will explore the scriptures that outline the signs that will precede the return of Jesus Christ in power and glory In addition to looking at scriptures on the topic we will look at current and historical events that may be significant Also we will ask how this impacts Christians and how we should respond In Matthew 25 Jesus tells a parable of a bridegroom and ten virgins The bridegroom's return was delayed so that the wedding party became drowsy and fell asleep When he returned late in the night only those who were ready went with him to the wedding feast The others were left behind As Christians we need to be ready for Jesus's return Come prepared to dig deep into scriptures and look forward to Jesus's return **Daniel** Beth Moore, 2006-06-01 The prophet Daniel faced unbelievable pressures to compromise his faith to live in a hostile culture and to confront temptations and threats Believers in Jesus Christ face many of the same trials Join Beth Moore for an in-depth look at the life of Dan
