Between the Dark and the Daylight Joan Chittister, 2015-02-24 There is a part of the soul that stirs at night in the dark and soundless times of day when our defenses are down and our daylight distractions no longer serve to protect us from ourselves writes beloved author Joan Chittister It's then in the still of life when we least expect it that guestions emerge from the damp murkiness of our inner underworld These questions do not call for the discovery of data they call for the contemplation of possibility In words as wise as they are inspiring Between the Dark and the Daylight explores the concerns of modern life of the overworked mind and hurting heart These are the paradoxical and often frustrating moments when our lives feel at odds with everything around us Only by embracing the contradictions Chittister contends may we live well amid stress withstand emotional storms and satisfy our yearnings for something transcendent and real By delving into the chaos this book guides us through the questions that seemed easier to avoid and enlightens what has been out of focus With her signature elegance wit and spirit the bestselling author of The Gift of Years and Following the Path opens our eyes and hearts in these times of confusion With simple and poignant meditations Between the Dark and the Daylight reveals how we can Story Work/Story Play Mary LaMont, 2023-05-02 A central better understand ourselves one another and God assumption of narrative spirituality is that the act of retelling the story of episodes of our lives can help us better see the larger Guiding Story that God dreams for us When I can see my Guiding Story more clearly I am better able to handle crisis and transition and better able to see my true purpose Story Work Story Play lays out a four door method of spirituality that invites participants to explore their Guiding Story through four doors that correspond to the four parts of any story a main character a problem to solve the power needed to solve it and the action taken by the main character The chapter for each of these four doors provides theological psychological and scriptural foundations for the narrative method and includes up to ten to fifteen story work story play exercises the reader can use to practice the method Each chapter also includes profile stories of real people who have discovered layers of their own Guiding Stories The book ends each chapter with a Guided Visualization The book s final chapter explains how members of a narrative circle can use the narrative spirituality tools of this book to discern each one s own unique Guiding Story Love Makes No Sense Jennifer Strawbridge, Jarred Mercer, 2018-01-31 Love Makes No Sense is an introduction to a faith that refuses the abstract and sees no distinction between theology and practice The aim of this book is not to satisfy the intellect but to train its readers through approachable theological teaching to live the love that Christian theology proclaims Suitable for people looking to explore Christian theology more deeply be they life long Christians who want a deeper understanding of their faith new Christians or those who are interested in the Christian faith and looking to find out more The Talking Puzzles Thomas Ramadhani SJ,2019-09-29 You have a choice to rewrite your story of destruction as a story of redemption In 2013 after a prolonged struggle with shame public humiliation and vocational crisis Father Ramadhani was sent for a residential treatment Working

on jigsaw puzzles with fellow residents soon became his new hobby Little did he know that this would lead him to soul searching conversations with the images on those puzzles Golden Gate Bridge Dubrovnik Riomaggiore Sydney Opera House Big Ben Clock Tower Castle of Chambord Mount Rushmore Portland Head Lighthouse The result is this smooth blend of Ignatian contemplation and mythic imagination Tapping on the strength of vulnerability this book encourages anyone dealing with inner unresolved issues to pull away listen look honestly inside the soul with the eyes of an outsider and if possible humbly seek professional help **Touch** Richard Kearney,2021-02-23 Our existence is increasingly lived at a distance As we move from flesh to image we are in danger of losing touch with each other and ourselves How can we combine the physical with the virtual our embodied experience with our global connectivity How can we come back to our senses Richard Kearney offers a timely call for the cultivation of the basic human need to touch and be touched He argues that touch is our most primordial sense foundational to our individual and common selves Kearney explores the role of touch from ancient wisdom traditions to modern therapies He demonstrates that a fundamental aspect of touch is interdependence its inherently reciprocal nature which offers a crucial corrective to our fixation with control Making the case for the complementarity of touch and technology this book is a passionate plea to recover a tangible sense of community and the joys of life with others

Steward of a Living Tradition John Sullivan, 2025-05-05 This book explores what is entailed in serving as a steward of the living tradition of the Christian faith in the world of education It examines tradition as a resource leadership education as a spiritual endeavor curriculum and Christian learning and the task of connecting tradition to culture John Sullivan engages with historical perspectives and contemporary professional and cultural realities in addressing intellectual and spiritual dimensions of Christian education and the endeavor to make tradition both accessible and meaningful to those for whom it is unfamiliar Themes pervading the book include fostering a critical appreciation for and a creative appropriation of the living tradition of Christianity fluency and flexibility in sharing that tradition vocation and vulnerability and a striving for interconnectedness and integration in teaching and learning at school and university **Being the People of God** Paul Bradbury, Isabelle Hamley, Andy Smith, 2025-07-31 Drawn from a consultation instigated by the Church of England's Faith and Order Commission this book seeks to offer a generative conversation involving theologians and practitioners across three key themes the church's worship as a gathered community its witness as a scattered community and its walk as a pilgrim community So often the church speaks as if there was a binary division between being and doing yet the contributors to this book collectively demonstrate that the situation is more complex Threshold Dwellers in the Age of Global Pandemic Eleazar S. Fernandez, 2022-05-19 So many lives have been lost now and the death toll still continues to rise because of the COVID 19 pandemic The poor and the marginalized not surprisingly have been disproportionately affected The pandemic has exposed the fault lines not only in our healthcare but also in our political and economic system a system driven by the pursuit of the bottom line profits If we are not only to survive but also thrive as a global society the challenge of the coronavirus

pandemic must lead us to explore ways of thinking being and dwelling that promote our shared flourishing It is time to take personal stock about ourselves who we are where we have been and where we are heading What can the pandemic teach us about ourselves What is it revealing about us and our situation How shall we dwell together Do we want to wake up to a new and better tomorrow after this nighttime of pandemic That will largely depend on the way we respond now Who are we becoming in this time of pandemic What daily practices are we doing as embodiments of the new world we are anticipating

Pilgrimage Mark K. Shriver, 2016-11-29 A down to earth and deeply intimate portrait of Pope Francis and his faith based on interviews with the men and women who knew him simply as Jorge Mario Bergoglio Early on the evening of March 13 2013 the newly elected Pope Francis stepped out onto the balcony of St Peter's Basilica and did something remarkable Before he imparted his blessing to the crowd he asked the crowd to bless him then bowed low to receive this grace In the days that followed Mark K Shriver along with the rest of the world was astonished to see a pope who paid his own hotel bill eschewed limousines and made his home in a suite of austere rooms in a Vatican questhouse rather than the grand papal apartment in the Apostolic Palace By setting an example of humility and accessibility Francis breathed new life into the Catholic Church attracting the admiration of Catholics and non Catholics alike In Pilgrimage Shriver retraces Francis s personal journey revealing the origins of his open unpretentious style and explaining how it revitalized Shriver's own faith and renewed his commitment to the Church To help us understand how Jorge Mario Bergoglio became Pope Francis Shriver travels to Bergoglio s native Argentina to meet with the people who knew him as a child as a young Jesuit priest and as a reformist bishop Shriver visits the confessional where Bergoglio first felt called to a faith based life and takes us to the humble parish where the future pontiff s pastoral career began in a church created from a converted vegetable shed in an area just outside the city of Buenos Aires In these impoverished surroundings Bergoglio answered Christ's call to feed the hungry clothe the naked and shelter the homeless following the example set by his papal namesake St Francis of Assisi In this deeply reported yet highly personal book Mark K Shriver explores how Francis s commitment has struck a chord in the hearts of millions who long to make faith love humility and mercy part of their lives as they go out into the world to serve and learn from the most marginalized Praise for Pilgrimage Well researched Pilgrimage shines a light on Pope Francis s unexplored aspects A very timely and important addition to the literature on the life and person and thinking of Pope Francis Everybody interested in Pope Francis will enjoy reading this biography The Washington BookReview Apt to stir the soul of readers While this is a rich telling of Bergoglio s life and ascension to the papacy it is more movingly a spiritual memoir that draws us deep into a knowing of this at once humble and soul stirring rekindler of faith Chicago Tribune A fascinating portrait of a man and a nourishing account of spiritual yearning Booklist This fast paced and fascinating tale takes us on Jorge Mario Bergoglio s pilgrimage from his grandmother s knee in the Italian Argentine community through years of success and sorrow in the tumultuous country that he loved to his surprise election as Pope Francis Cokie Roberts New York Times

God over Good Luke Norsworthy,2018-10-02 It s hard to say that God is good when God isn t always what we expect good to be A good father wouldn t make it so difficult to get to know him would he And if God is all powerful wouldn t he ensure that we never suffered Either our understanding of God is incorrect or our definition of good is inadequate In a world that is messy and a church that is imperfect it s easy to let our faith be lost But that doesn t mean we have to lose God It means we must consider the fact that perhaps our idealized expectations are just plain wrong With transparency about his own struggles with cynicism and doubt pastor Luke Norsworthy helps frustrated Christians and skeptics trade their confinement of God in an anemic definition of good for confidence in the God who is present in everything including our suffering

Peterson, 2020-10-27 Fear of death is nearly as inevitable as death itself so we have used modern medicine and the funeral industry to create an ever increasing distance between us and our mortality But these interventions have stripped death of its mystery and mysticism Taking readers on a journey through history guided by the mystics Awakened by Death shows us how our psychological and spiritual relationship to death has changed over time and helps us to reclaim a healthy engagement with our own mortality Ultimately readers will gain a
