**Between the Dark and the Daylight (Romances)** William Dean Howells, 2006      **Between The Dark And The Daylight** William Dean Howells, 2020 Mr Howells dips into psychological twilight in this volume of short stories They are queer and creepy without being exactly supernatural In Editha there is a war story of a new kind although its heroine is the same old inconsequent and exasperating girl that Mr Howells has drawn for so many years he could probably do it with his eyes shut by this time It all interested her intensely she was undergoing a tremendous experience and she was being equal to it And so with the egotistic cruelty of youth she sends her lover to his death and has to face his mother afterward The other tales are less tragic and told as Mr Howells alone can tell such small comedies by means of conversations among intimate friends with the graceful give and take of actual dialog as the group discuss the affairs of their friends with after dinner philosophic interest      *Between the Dark and the Daylight* William Dean Howells, 2013-12-07 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book      Literary Neurophysiology Randall K. and its literature on American authors are still rare In 1955 appeared a pioneer work in this field Stanley T Williams *The Spanish Background of American Literature* But that book went no further than W D Howells *Familiar Spanish Travels* published in 1913 *The Last Good Land* covers most of the twentieth century including such groups as the Lost Generation and African American writers and exiles It also considers then recent revolution in Spanish cultural and historical thought introduced by Am rico Castro which several American writers discussed in this volume may be said to have anticipated Recent studies have expanded on Williams volumes but in the majority of cases these works limit their scope to a single period the nineteenth century the Spanish Civil War a movement predominantly Romanticism or authors known for their interest in Spain Irving Hemingway The result is often a lack of continuum or the exclusion of such authors as Saul Bellow William Gaddis or Richard Wright Within American literature itself *The Last Good Land* contains revisions of traditional interpretations of certain writers including Hemingway The variety of authors treated both in respect to ethnicity and gender guarantees a varied and global view of Spanish culture by American writers

**Romance of California Life: Illustrated by Pacific Slope Stories, Thrilling, Pathetic and Humorous** John Habberton, 2020-09-28 It certainly was hard What was the freedom of a country in which the voice of the original founders was spent in vain Had not they the Forty miners of Bottle Flat really started the place Hadn t they located claims there Hadn t they contributed three ounces each ostensibly to set up in business a brother miner who unfortunately lost an arm but really that a saloon might be opened and the genuineness and stability of the camp be assured Hadn t they promptly killed or scared away every Chinaman who had ever trailed his celestial pig tail into the Flat Hadn t they cut and beaten a trail to Placerville so that miners could take a run to that city when the Flat became too quiet Hadn t they framed the squarest betting code in the whole diggings And when a Frisco man basely attempted to break up the camp by starting a gorgeous saloon a few miles up the creek hadn t they gone up in a body and cleared him out giving him only ten minutes in which to leave the creek for ever All this they had done actuated only by a stern sense of duty and in the patient anticipation of the reward which traditionally crowns virtuous action But now oh ingratitude of republics a schoolteacher was to be forced upon Bottle Flat in spite of all the protest which they

the oldest inhabitants had made Such had been their plaint for days but the sad excitement had not been productive of any fights for the few married men in the camp prudently absented themselves at night from The Nugget saloon where the matter was fiercely discussed every evening There was therefore such an utter absence of diversity of opinion that the most quarrelsome searched in vain for provocation On the afternoon of the day on which the opening events of this story occurred the boys by agreement stopped work two hours earlier than usual for the stage usually reached Bottle Flat about two hours before sundown and the one of that day was to bring the hated teacher The boys had wellnigh given up the idea of further resistance yet curiosity has a small place even in manly bosoms and they could at least look hatred at the detested pedagogue So about four o'clock they gathered at The Nugget so suddenly that several fathers who were calmly drinking inside had barely time to escape through the back windows Our old home. - Septimus Felton. - Fanshawe. - Dolliver romance, etc Nathaniel Hawthorne,1876 *Woman in the Works of William Dean Howells* Sidney Lee Hillyer Bremer,1971
