Between Terror And Tolerance Religious Leaders Conflict And Peacemaking:

Between Terror and Tolerance Timothy D. Sisk, 2011-11-21 Civil war and conflict within countries is the most prevalent threat to peace and security in the opening decades of the twenty first century A pivotal factor in the escalation of tensions to open conflict is the role of elites in exacerbating tensions along identity lines by giving the ideological justification moral reasoning and call to violence *Between Terror and Tolerance* examines the varied roles of religious leaders in societies deeply divided by ethnic racial or religious conflict The chapters in this book explore cases when religious leaders have justified or catalyzed violence along identity lines and other instances when religious elites have played a critical role in easing tensions or even laying the foundation for peace and reconciliation This volume features thematic chapters on the linkages between religion nationalism and intolerance transnational intra faith conflict in the Shi a Sunni divide and country case studies of societal divisions or conflicts in Egypt Israel and Palestine Kashmir Lebanon Nigeria Northern Ireland Sri Lanka Sudan and Tajikistan The concluding chapter explores the findings and their implications for policies and programs of international non governmental organizations that seek to encourage and enhance the capacity of religious leaders to play a constructive role in conflict resolution **The Oxford Handbook of Religion, Conflict, and Peacebuilding** Atalia

Omer, R. Scott Appleby, David Little, 2015 The book provides a comprehensive overview of the literature on religion conflict and peacebuilding With a focus on structural and cultural violence the volume also offers a cutting edge interdisciplinary reframing of the scope of scholarship in the field Religious Leaders and Conflict Transformation Nukhet A.

Sandal, 2017-02-16 The book introduces a theoretical framework to understand the role of religious leaders in conflict transformation and peacebuilding The Routledge Handbook of Religions and Global Development Emma

Tomalin, 2015-02-11 This Handbook provides a cutting edge survey of the state of research on religions and global development Part one highlights critical debates that have emerged within research on religions and development particularly with respect to theoretical conceptual and methodological considerations from the perspective of development studies and its associated disciplines Parts two to six look at different regional and national development contexts and the place of religion within these These parts integrate and examine the critical debates raised in part one within empirical case studies from a range of religions and regions Different religions are situated within actual locations and case studies thus allowing a detailed and contextual understanding of their relationships to development to emerge Part seven examines the links between some important areas within development policy and practice where religion is now being considered including Faith Based Organisations and Development Public Health Religion and Development Human rights Religion and Development Sustainable Development Climate Change and Religion Global Institutions and Religious Engagement in Development Economic Development and Religion Religion Development and Fragile States Development and Faith Based Education Taking a global approach the Handbook covers Africa Latin America South Asia East and South East Asia and the

Middle East It is essential reading for students and researchers in development studies and religious studies and is highly relevant to those working in area studies as well as a range of disciplines from theology anthropology and economics to geography international relations politics and sociology **Protestant-Catholic Conflict from the Reformation to the 21st Century** John Wolffe, 2013-04-11 Taking a fresh look at the roots and implications of the enduring major historic fissure in Western Christianity this book presents new insights into the historical dynamics of Protestant Catholic conflict while illuminating present day contexts and suggesting comparisons for approaching other entrenched conflicts in which religion is implicated **Peacemakers in Action: Volume 2** Tanenbaum Center for Interreligious Understanding, 2016-10-03 The second volume of Peacemakers in Action tells the stories of remarkable individuals peacemakers across the world who strive to end violence in religiously charged conflicts **Understanding Interreligious Relations** David Cheetham, Douglas Pratt, David Thomas, David Richard Thomas, 2013-11 A multi authored volume that explores the theme of the religious other from the perspective of five major religions Hinduism Judaism Buddhism Christianity and Islam and discusses a range of issues in which interreligious relations are central **Religion and Global Politics** Sheriff Folarin, Olusola Ogunnubi, 2022-06-21 Religion and Global Politics Soft Power in Nigeria and Beyond examines the deployment of religious soft power in African states and the potential it has for transforming perceptions of the continent The contributors refocus the attention on religion away from the misery discourse of conflict and violence towards the domain of international relations diplomacy and foreign policy in Africa Through this shift the contributors analyze the ways in which religion has impacted the external relations of African states Religion and Global Politics introduces the theme of religion to the discourse of African international relations and politics to provide a thorough examination of religion s influence on politics in the daily lives of African people

Satellite Ministries Febe Armanios, 2025 In 1981 a satellite television station called Star of Hope began broadcasting from Israeli occupied South Lebanon Backed by American missionaries Israeli politicians and Lebanese Catholic leaders the channel aired Western entertainment and Christian content using a repurposed ABC Monday Night Football truck situated on the Israel Lebanon border Later renamed Middle East Television METV its programming included American soap operas sports and evangelical content alongside innovative Arabic Christian televangelism It was a station of enormous consequence METV spurred the growth of competing Christian broadcasters and reshaped the Middle East s media and religious landscape over the next four decades Yet it was of course controversial its foreign imperialist and proselytizing approach to media was a source of curiosity and consternation in the region and occasionally around the world Through extensive fieldwork and archival research Febe Armanios explores how Western evangelicals and indigenous Christians harnessed terrestrial and satellite technologies to promote Christian television in the Middle East The fifteen channels analyzed in this study fall into three main categories Western backed conservative outlets with a charismatic and apocalyptic outlook middle ground channels that sought to balance their international sponsors expectations with local interests and grassroots

initiatives rooted in ancient church traditions The histories and programming strategies of primarily Arabic but also Turkish and Persian Christian channels reveal how media producers forged unexpected political alliances pursued sectarian objectives and navigated various transnational influences Satellite Ministries explores how modern expressions of faith technology and political power intersected and clashed across the Global South and beyond In this groundbreaking work Armanios presents a crucial examination of this unique and little known media landscape **The Law and Religious**

Market Theory Jianlin Chen,2017-10-12 A fresh descriptive and normative perspective on law and religion supported by comparative case studies of Greater China **Becoming Nonviolent Peacemakers** Eli Sasaran McCarthy,2012-07-11 Why do many U S residents Catholics and Catholic leaders among them too often fall short of adequately challenging the use of violence in U S policy The opportunities and developments in approaches to peacemaking have been growing at a significant rate However violent methods continue to hold significant sway in U S policy and society as the commonly assumed way to peace Even when community organizers policymakers members of Catholic leadership and academics sincerely search for alternatives to violence they too often think about nonviolence as primarily a rule or a strategy Catholic Social Teaching has been moving toward transcending the limits of these approaches but it still has significant room for growth In order to contribute to this growth and to impact U S policy McCarthy draws on Jesus Gandhi Ghaffar Khan and King to offer a virtue based approach to nonviolent peacemaking with a corresponding set of core practices This approach is also set in conversation with aspects of human rights discourse to increase its possible impact on U S policy As a whole *Becoming Nonviolent Peacemakers* offers an important challenge to contemporary accounts of peacemaking in the U S

Peacemakers in Action David Little,2007 *Peacemakers in Action* explores the conflicts and the stories of 15 individuals identified by the Tanenbaum Center for Interreligious Understanding from regions as far flung as West Papua Indonesia the Middle East Northern Ireland Nigeria El Salvador and South Africa *Christianity, Islam and Liberal Democracy* Robert Alfred Dowd,2015 Based on research conducted in Nigeria and other parts of sub Saharan Africa *Christianity Islam and Liberal Democracy* argues that Christian and Islamic religious communities become more conducive to actions and attitudes conducive to and compatible with liberal democracy in religiously diverse and integrated settings than in religiously homogeneous or diverse but segregated settings Nigeria, a Country under Siege Dele Babalola,Hakeem Onapajo,2018-06-11 This volume offers a comprehensive assessment of the problem of conflict and its methods of management in Nigeria s contemporary democracy It represents a compendium of resourceful studies provided by experts on conflict studies from various disciplines across the Social Sciences and Humanities Such studies are very useful at this crucial point in Nigeria s history as there are currently various national and international efforts to address the scourge of violent conflicts that have caused huge numbers of deaths and displacement of persons The book will be of particular interest and use to conflict researchers students practitioners and government officials **The Wiley Blackwell Companion to**

Interreligious Curriculum for Peace Education in Nigeria Isaiah Ekundayo Dada, 2019-04-18 Nigeria a country under a military regime for several years transitioned to a civilian regime in May 1999 Since this change violent conflicts between Christians and Muslims have continued to erupt They constitute one of the gravest dangers facing Nigeria a country with a population of 189 million people What have Nigerian religious leaders done about this situation especially in educational circles Have they received formal educational training to understand the causes of this violence and especially how to provide alternatives for more peaceful relations within Nigeria Does the current educational system in Nigeria provide the main ingredients for the promotion of a culture of peace The absence and neglect of interreligious peace education as part of a peace education core program and the lack of an interreligious curriculum for peace education in the training of religious leaders are the two problems contributing towards the lack of effectiveness of religious leaders in promoting less violent and more peaceful living The solution to the problem is proposed in this book entitled Interreligious Curriculum for Peace Education in Nigeria The book develops a one year curriculum building on Yoruba Islamic Christian conceptions of peace and teaches how to create safe caring spiritual peaceful and successful interfaith relationships between all Nigerian religious communities In the long term the book helps to educate religious leaders to contribute in themselves

and with the help of their respective religious communities to reducing the growing religious violence in Nigeria *Ending Holy Wars* Isak Svensson,2012 *Ending Holy Wars* explores how religious dimensions affect the possibilities for conflict resolution in civil war This is the first book that systematically tries to map out the religious dimensions of internal armed conflicts and explain the conditions under which religious dimensions impede peaceful settlement It draws upon empirical work on global data based on the Uppsala Conflict Data Program UCDP and complements this quantitative data with several smaller case studies Sri Lanka Philippines and Indonesia The book shows how religious identities and incompatibilities influence the likelihood of agreements and the mechanisms through which parties and third party mediators have been able to overcome religious obstacles to negotiated settlements These findings pave the way for a discussion on how conflict theory can better incorporate religious dimensions as well as how policy can be designed to manage religious dimensions in armed conflicts *Resisting Occupation in Kashmir* Haley Duschinski,Mona Bhan,Ather Zia,Cynthia Mahmood,2018-04-20 *Resisting Occupation in Kashmir* considers the social and legal dimensions of India s occupation of Kashmir and the ways in which Kashmiri youth are drawing on the region s history of armed rebellion to reimagine the freedom struggle in the twenty first century Sectarianization Nader Hashemi,Danny Postel,2017 An anatomy of the increasing sectarianization of conflicts in the Middle East by some of the leading scholars writing on the region Essays on Religion and Human Rights David Little,2015-03-26 This collection of essays addresses human rights in relation to the historical settings in which its language was drafted and adopted
