Beyond Liberty Alone Howard I. Schwartz, 2014 The concept of liberty has been taken hostage by the political Right over the last forty years in an effort to justify all sorts of destructive political positions The result is a theory of liberty that is damaging to our planet our nation and our moral selves **Beyond Liberty Alone** takes back the concept of liberty peeling away the distorted popular assumptions that inform the Right s understanding of this critical political concept and in its place proposes an alternative that s progressive comprehensive and noteworthy Rethinking key concepts of individual rights labor and property to the role of government and free markets **Beyond Liberty Alone** relentlessly questions our fundamental ideas in order to achieve a new understanding of liberty rights and responsibilities As in his earlier works Schwartz draws on history philosophy and religion to reframe how we look at ourselves our traditions and our collective moral responsibilities Sure to raise brows on the Right **Beyond Liberty Alone** offers a refreshing alternative to mainstream opinion for both political and progressive thinkers to ponder discuss and use as a framework for action **History of American Political Thought**

Abstracts ,1957 **New Statesman and Nation** ,1945 Postliberal Politics Adrian Pabst,2021-06-16 Hyper capitalism and extreme identity politics are driving us to distraction Both destroy the basis of a common life shared across ages and classes The COVID 19 crisis could accelerate these tendencies further or it could herald something more hopeful a post liberal moment Adrian Pabst argues that now is the time for an alternative postliberalism that is centred around trust dignity and human relationships Instead of reverting to the destabilising inhumanity of just in time free market globalisation we could build a politics upon the sense of localism and community spirit the valuing of family place and belonging which was a real theme of lockdown We are not obliged to put up with the restoration of a broken status quo that erodes trust undermines institutions and trashes our precious natural environment We could build a pluralist democracy decentralise the state and promote embedded mutualist markets This bold book shows that only a politics which fuses economic justice with social solidarity and ecological balance can overcome our deep divisions and save us from authoritarian backlash **Life** ,1946-03
