Beyond The Locker Room Developing Your Game Plan For Lifes Transitions:

Transitions Through Adult Life Charles M. Sell, 1991 This book not only describes life's crises but also portrays the potential of life's transitions and seeks to offer answers to the problems it analyzes. It provides an overview of the various stages of adult life, what is typical in those stages, and how to deal with adults as they traverse the stages. Game Plan Bob Buford, 2009-09-01 Thousands of readers have found an exciting new vision for the second half of life in the bestselling book *Halftime*. Bob Buford showed us that we aren't experiencing a midlife crisis that's winding us down to our retirement years, but a break in the game that can prepare us for the most exciting half of life. In *Game Plan*, Buford gives you a practical way to move from success to significance and create an individual strategy that can get you where you want to be five, ten, twenty, thirty, or more years from now. If you sense it's time for a positive change in your life, *Game Plan* gives you the tools to uncover your best self, aim for your highest dreams, and make your career and personal life more meaningful and fulfilling than ever. **Beyond the Locker Room** Leonard T. Wheeler, 2015-01-18 Walking off the court or field for the last time, whether you're a high school athlete or a professional, can be a traumatic experience. You go from a world where sports takes up most of your time and thoughts to a place where you are going to be assessed and measured on a set of skills you may not have developed yet. Yet the skills you developed as an athlete—perseverance, being a team player, showing up on time, putting on a game face—can get you through the process of figuring out a game plan for the rest of your life. This book isn't just for athletes, but for anyone going through any major transition: from being a stay-at-home parent headed back into the workforce to changing jobs or careers to life changes like divorce or losing a parent. The principles presented here can guide you through all kinds of transition. Leonard Wheeler loved playing professional football, but he knew that his football career wouldn't last forever. He did all he could to prepare for the day when he could no longer play. Even so, when his career-ending injury happened, he struggled. After learning from his own mistakes, he developed winning techniques to help others find their path beyond the locker room. This book also features leadership and transition advice from a variety of NFL, NBA, WNBA executives and former players, including Dale Davis, Eugene Robinson, Charlotte Smith, Troy Vincent, Andre Collins, Tracy Perlman, Felicia Hall, Allen, and Hardy Nickerson. Former NFL player Leonard Wheeler has been motivating athletes, executives, and major corporations around the world for fifteen years. He has served organizations including the NBA, Capital One, MasterCard, and the USO as a dynamic speaker and executive coach. He is an entrepreneur and an active Regional Director for the NFL.
